Finding common sense priorities not so common?

Representing **YOUR** priorities!

Chad believes we all deserve:

- Safe Streets
- Accountable Schools
- Fiscal Restraint

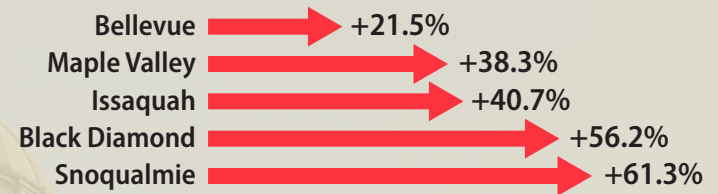

And he has a proven track record of working across party lines, budgeting responsibly, and putting kids first.

BAD POLICIES HAVE SERIOUS CONSEQUENCES

Public Safety

Chad's opponent sponsored laws prohibiting police pursuit and voted to decriminalize hard drugs, contributing to record increases in violent crime, property crime and homelessness.

Education

Extended COVID school closures led to dramatic drops in student achievement and mental health. When unions stopped work to protest returning to in-person learning, Chad kept teaching.

Cost of Living

One-party rule in Olympia has brought us B&O tax increases, a new capital gains tax, carbon tax, long-term care payroll tax...and some of the highest gas prices in the nation (set to ↑\$.46 on Jan 1st)!
