Friends,
 You receive enough hit pieces in the mail during campaign season, so I thought I'd try something a bit more helpful.

Ideally, we'd all have the ability to thoughtfully research each candidate and ballot measure, but the general election deadline is looming and many of us just won't have the time. For just such situations, I've scoured the Internet to create this non-partisan endorsement summary.

Unfortunately, there's not room to list every endorsement, but if you spot any major errors or omissions, please let me know.

Remember to return your ballot by Tuesday, Nov. 5th!

"Magendanz's experience on education, and his willingness to cross the aisle, earns our endorsement. Voters should send him to the Senate."

The Seattle Times, 10/14/2022

"Magendanz's deep experience and leadership in education policy makes him the clear choice."

The Seattle Times, 9/10/2018

"...one of the clearest thinkers in the Legislature, particularly on education and transportation."
