Mean: 6.6
Median: 7.2

Mean: -14.1
Median: -13.8

Notes:

The partisanship score for each of the 19,915 floor votes was the percentage of Republican supporters minus the percentage of Democrat supporters, giving each a range from 100 (exclusively Republican) to -100 (exclusively Democrat) with unanimous votes scoring zero.

The member's aggregate score is just the average of all the scores of floor votes they supported, minus the scores from those they opposed.
