

The Official
USS HENRY M. JACKSON
Coloring Book

WELCOME TO OUR
SUBMARINE. IT IS DESIGNED
TO PROTECT OUR NATION AND
KEEP WORLD PEACE.

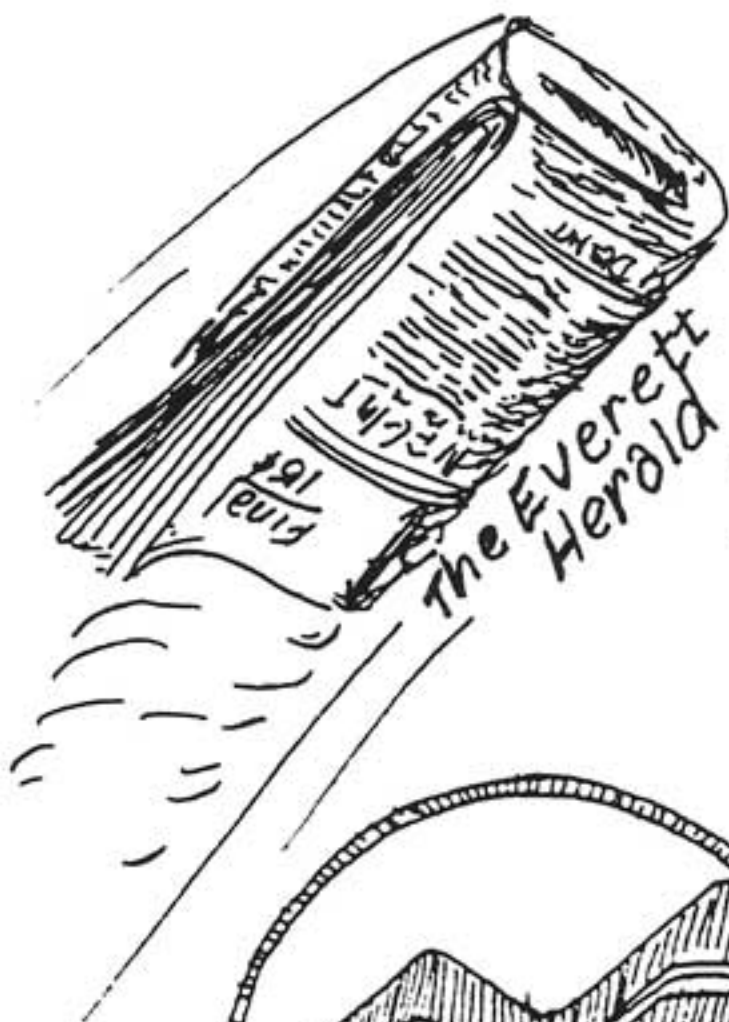

HENRY M. JACKSON

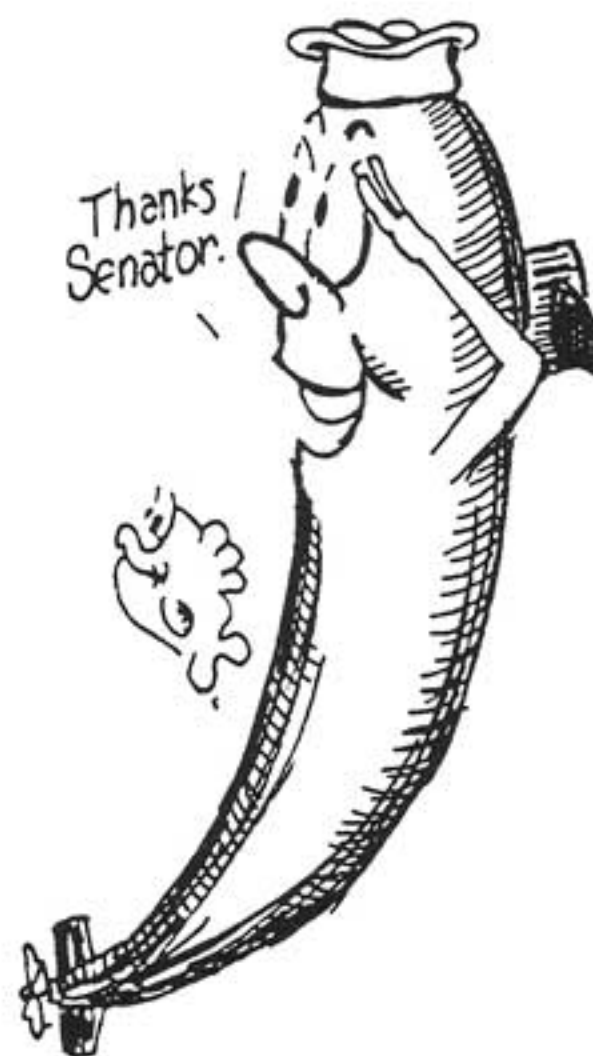

SSBN
730

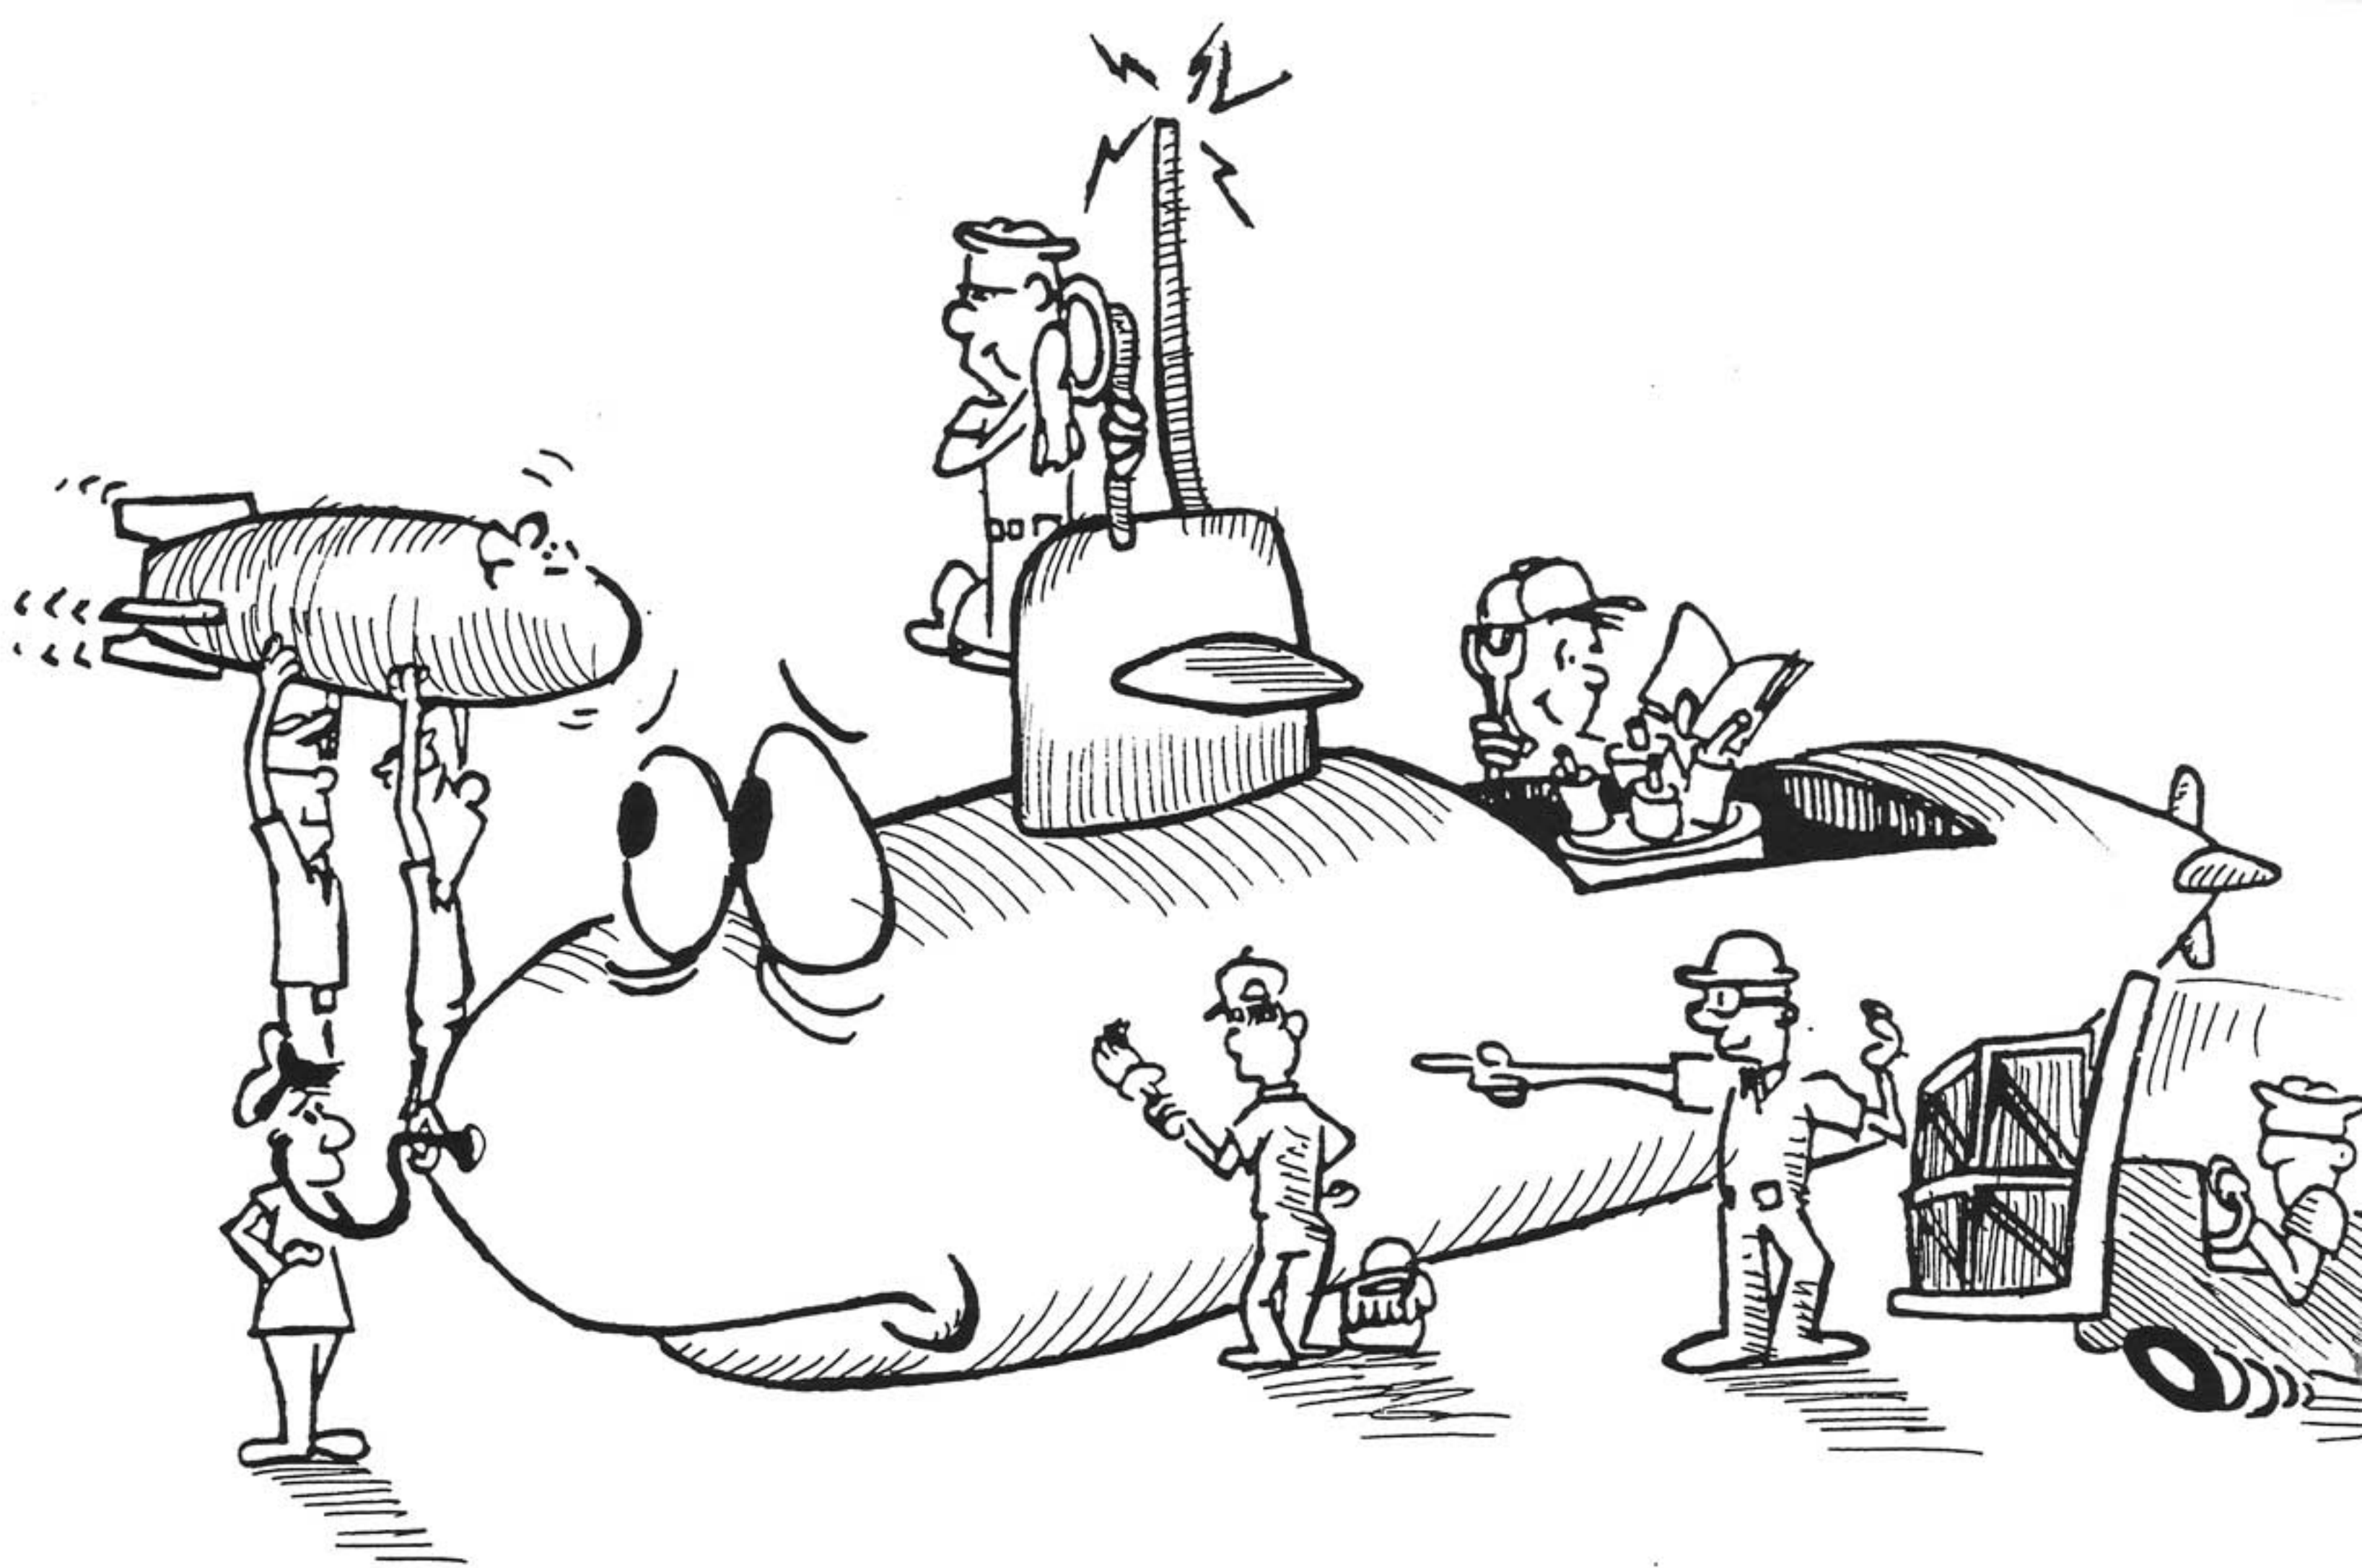

THIS SUBMARINE WAS NAMED AFTER SENATOR "SCOOP" JACKSON FROM EVERETT WASHINGTON. HE GOT HIS NICKNAME FROM DELIVERING AS A BOY. SENATOR JACKSON BELIEVED IN DEFENDING FREEDOM AND SAID:

"IF WE REALLY BELIEVE IN THE CAUSE OF FREEDOM, LET US PROCLAIM IT, LOVE IT, AND PROTECT IT ...FOR HUMANITY'S FUTURE DEPENDS UPON IT".

THIS BOOKLET WILL TELL YOU WHAT IT IS LIKE TO LIVE ON A SUBMARINE.

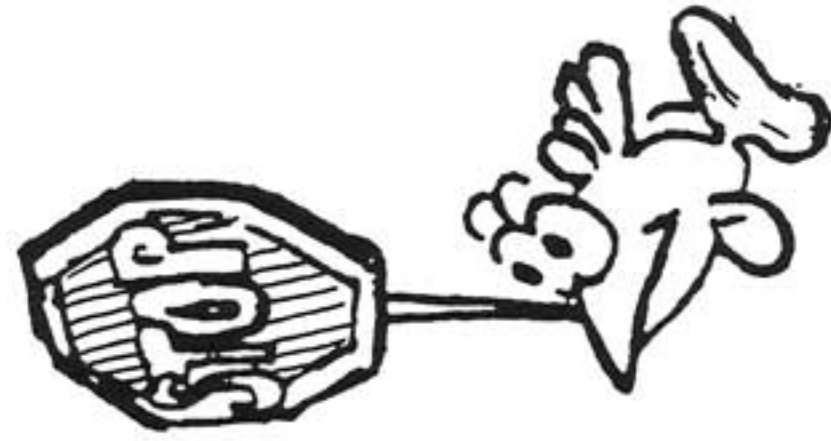

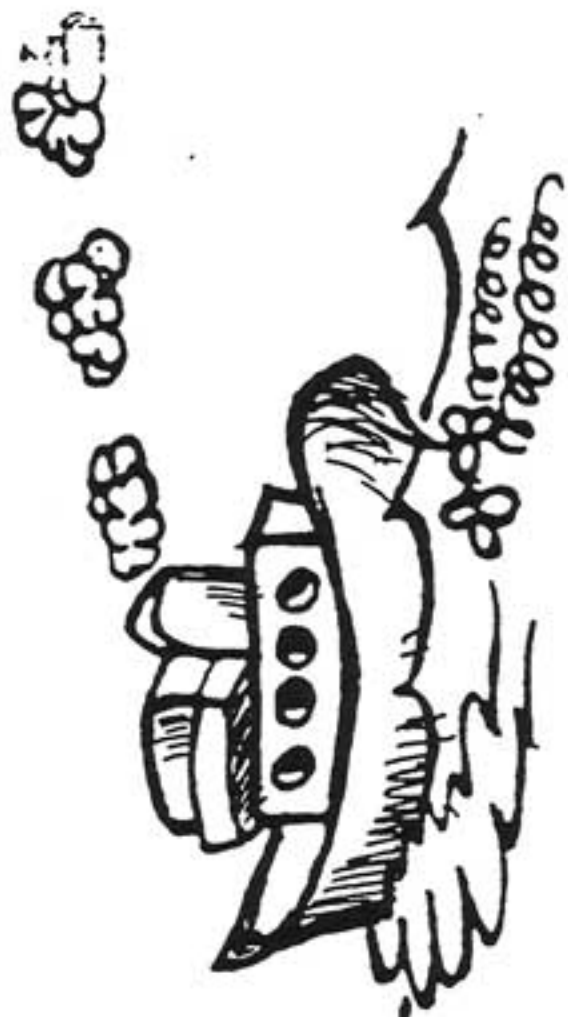

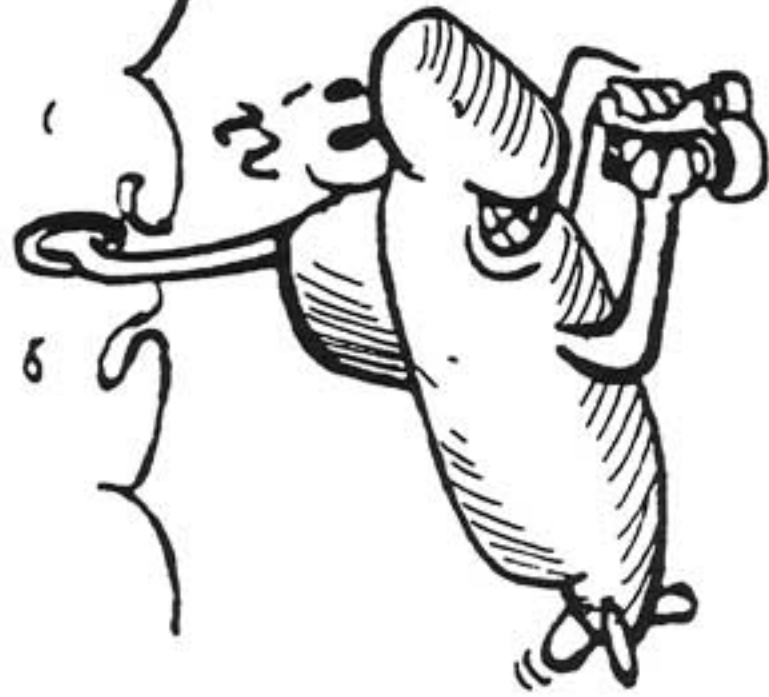

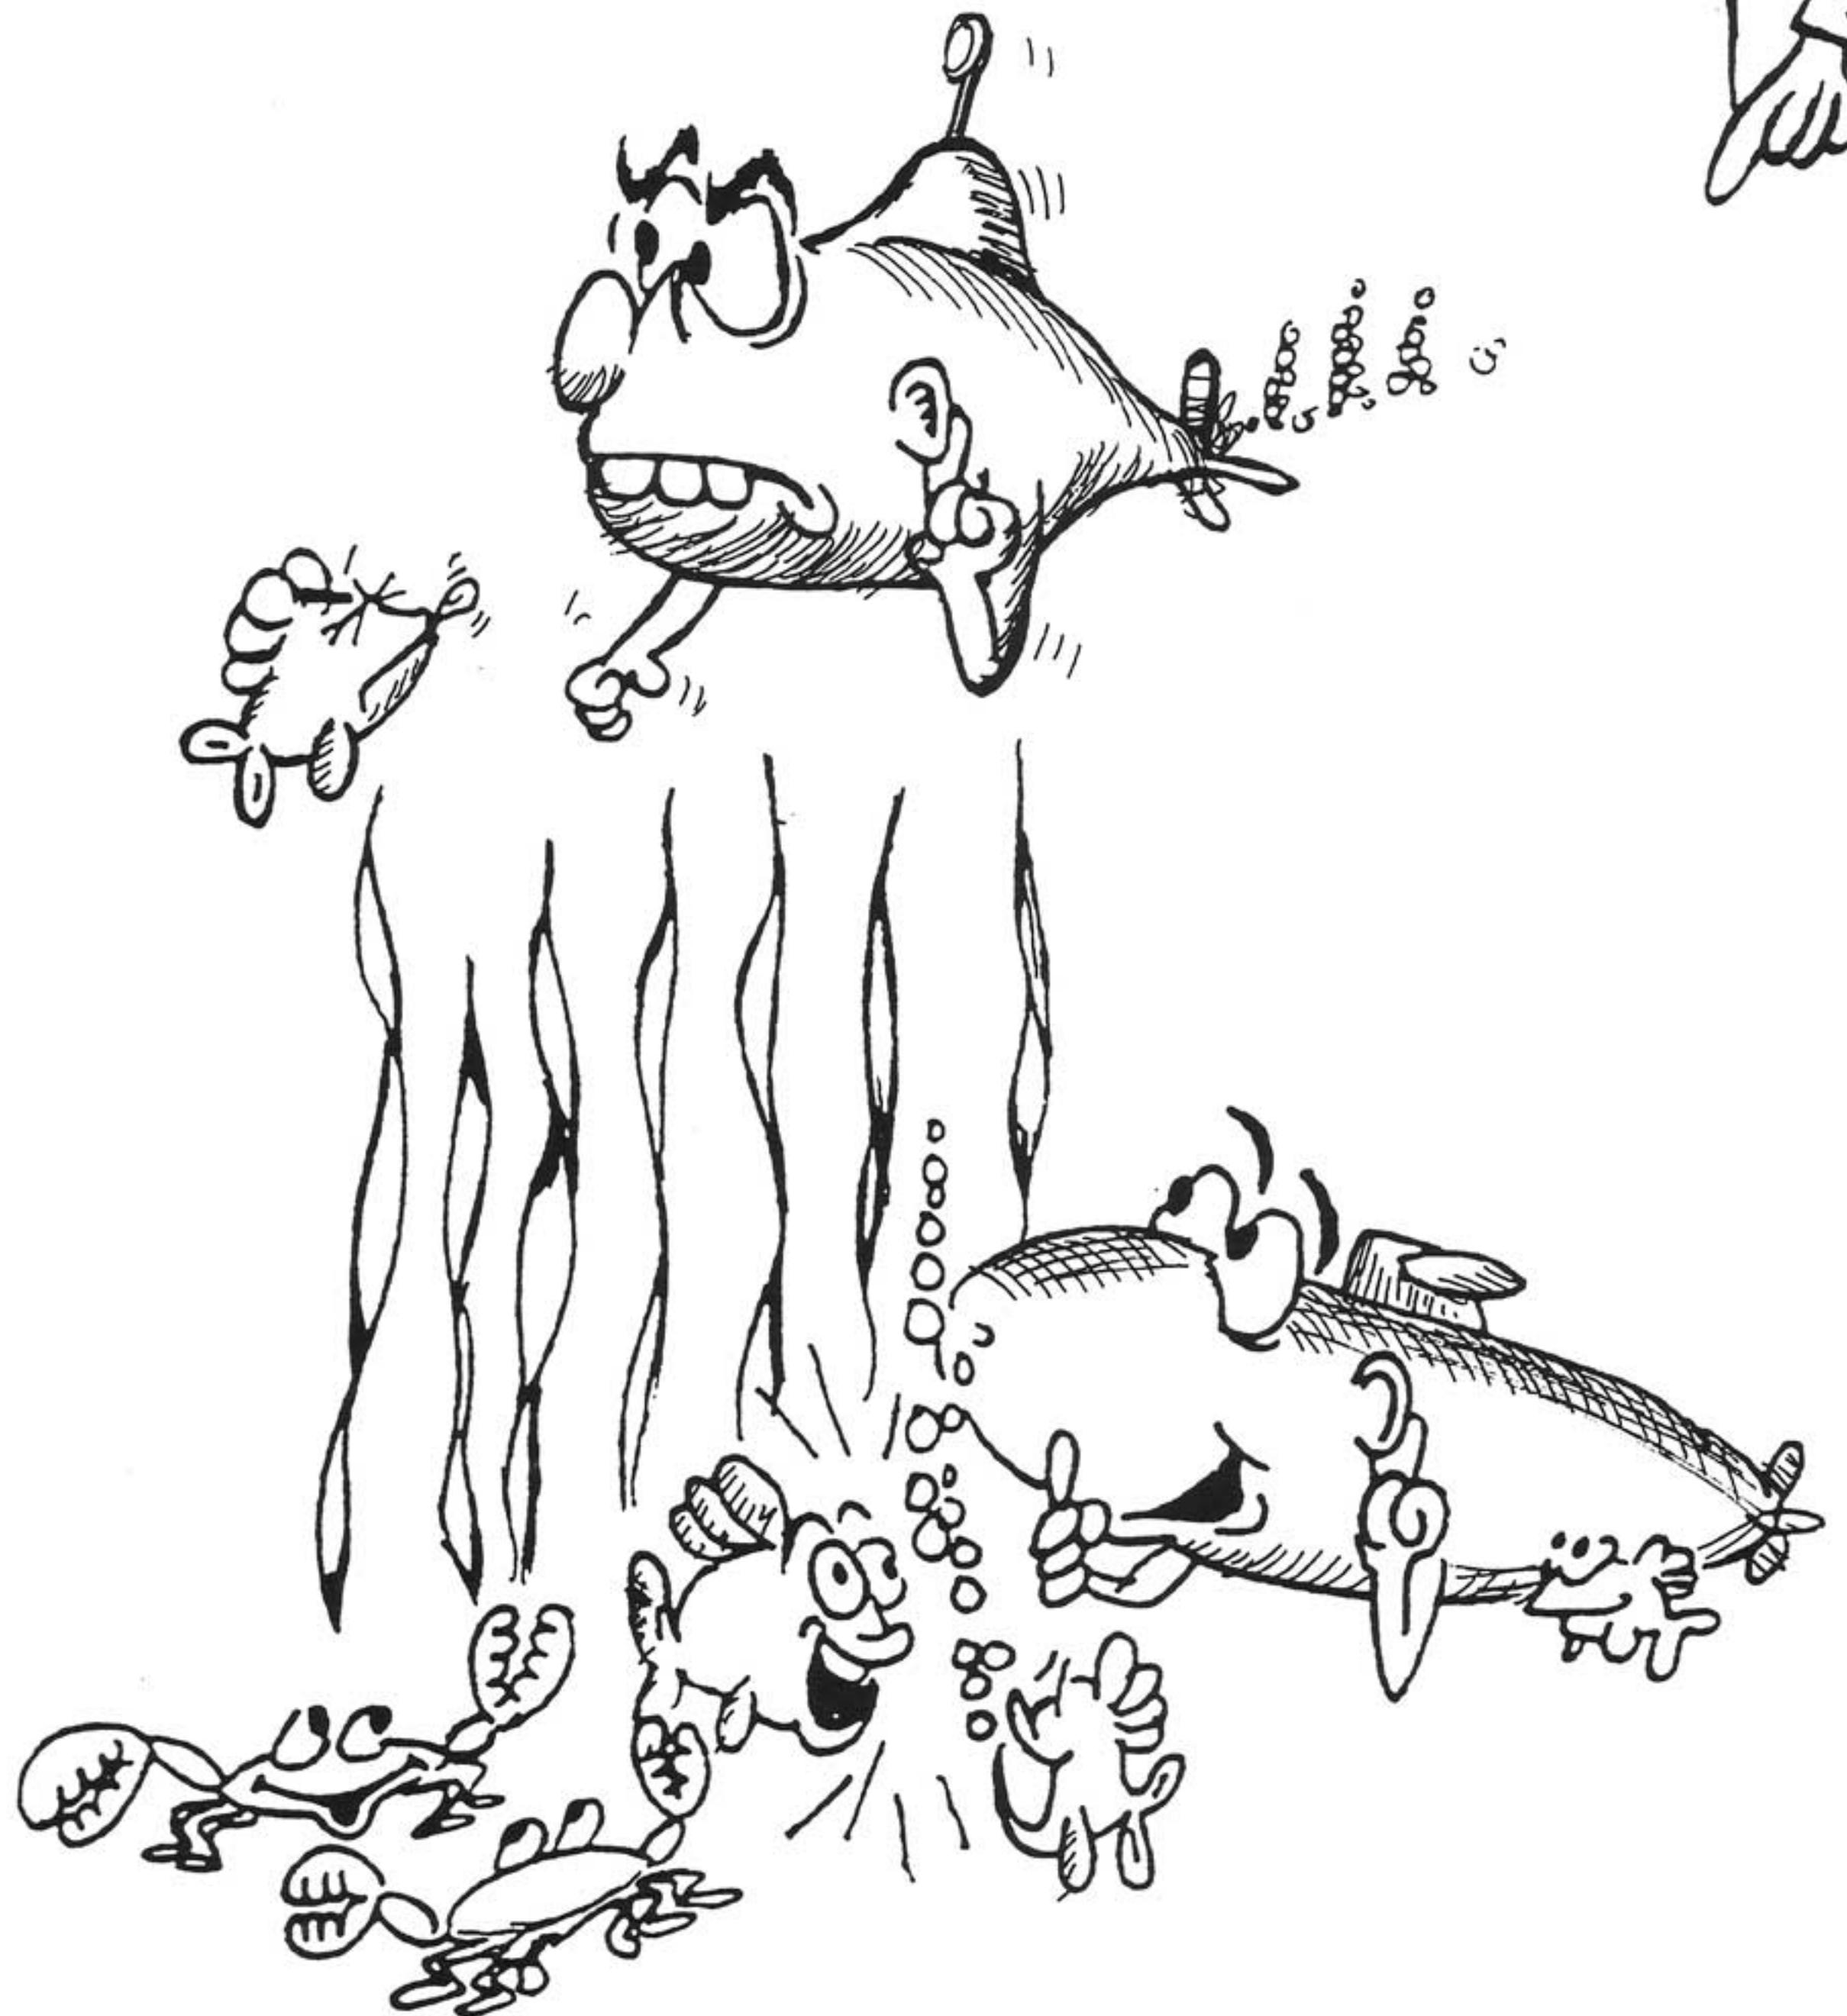

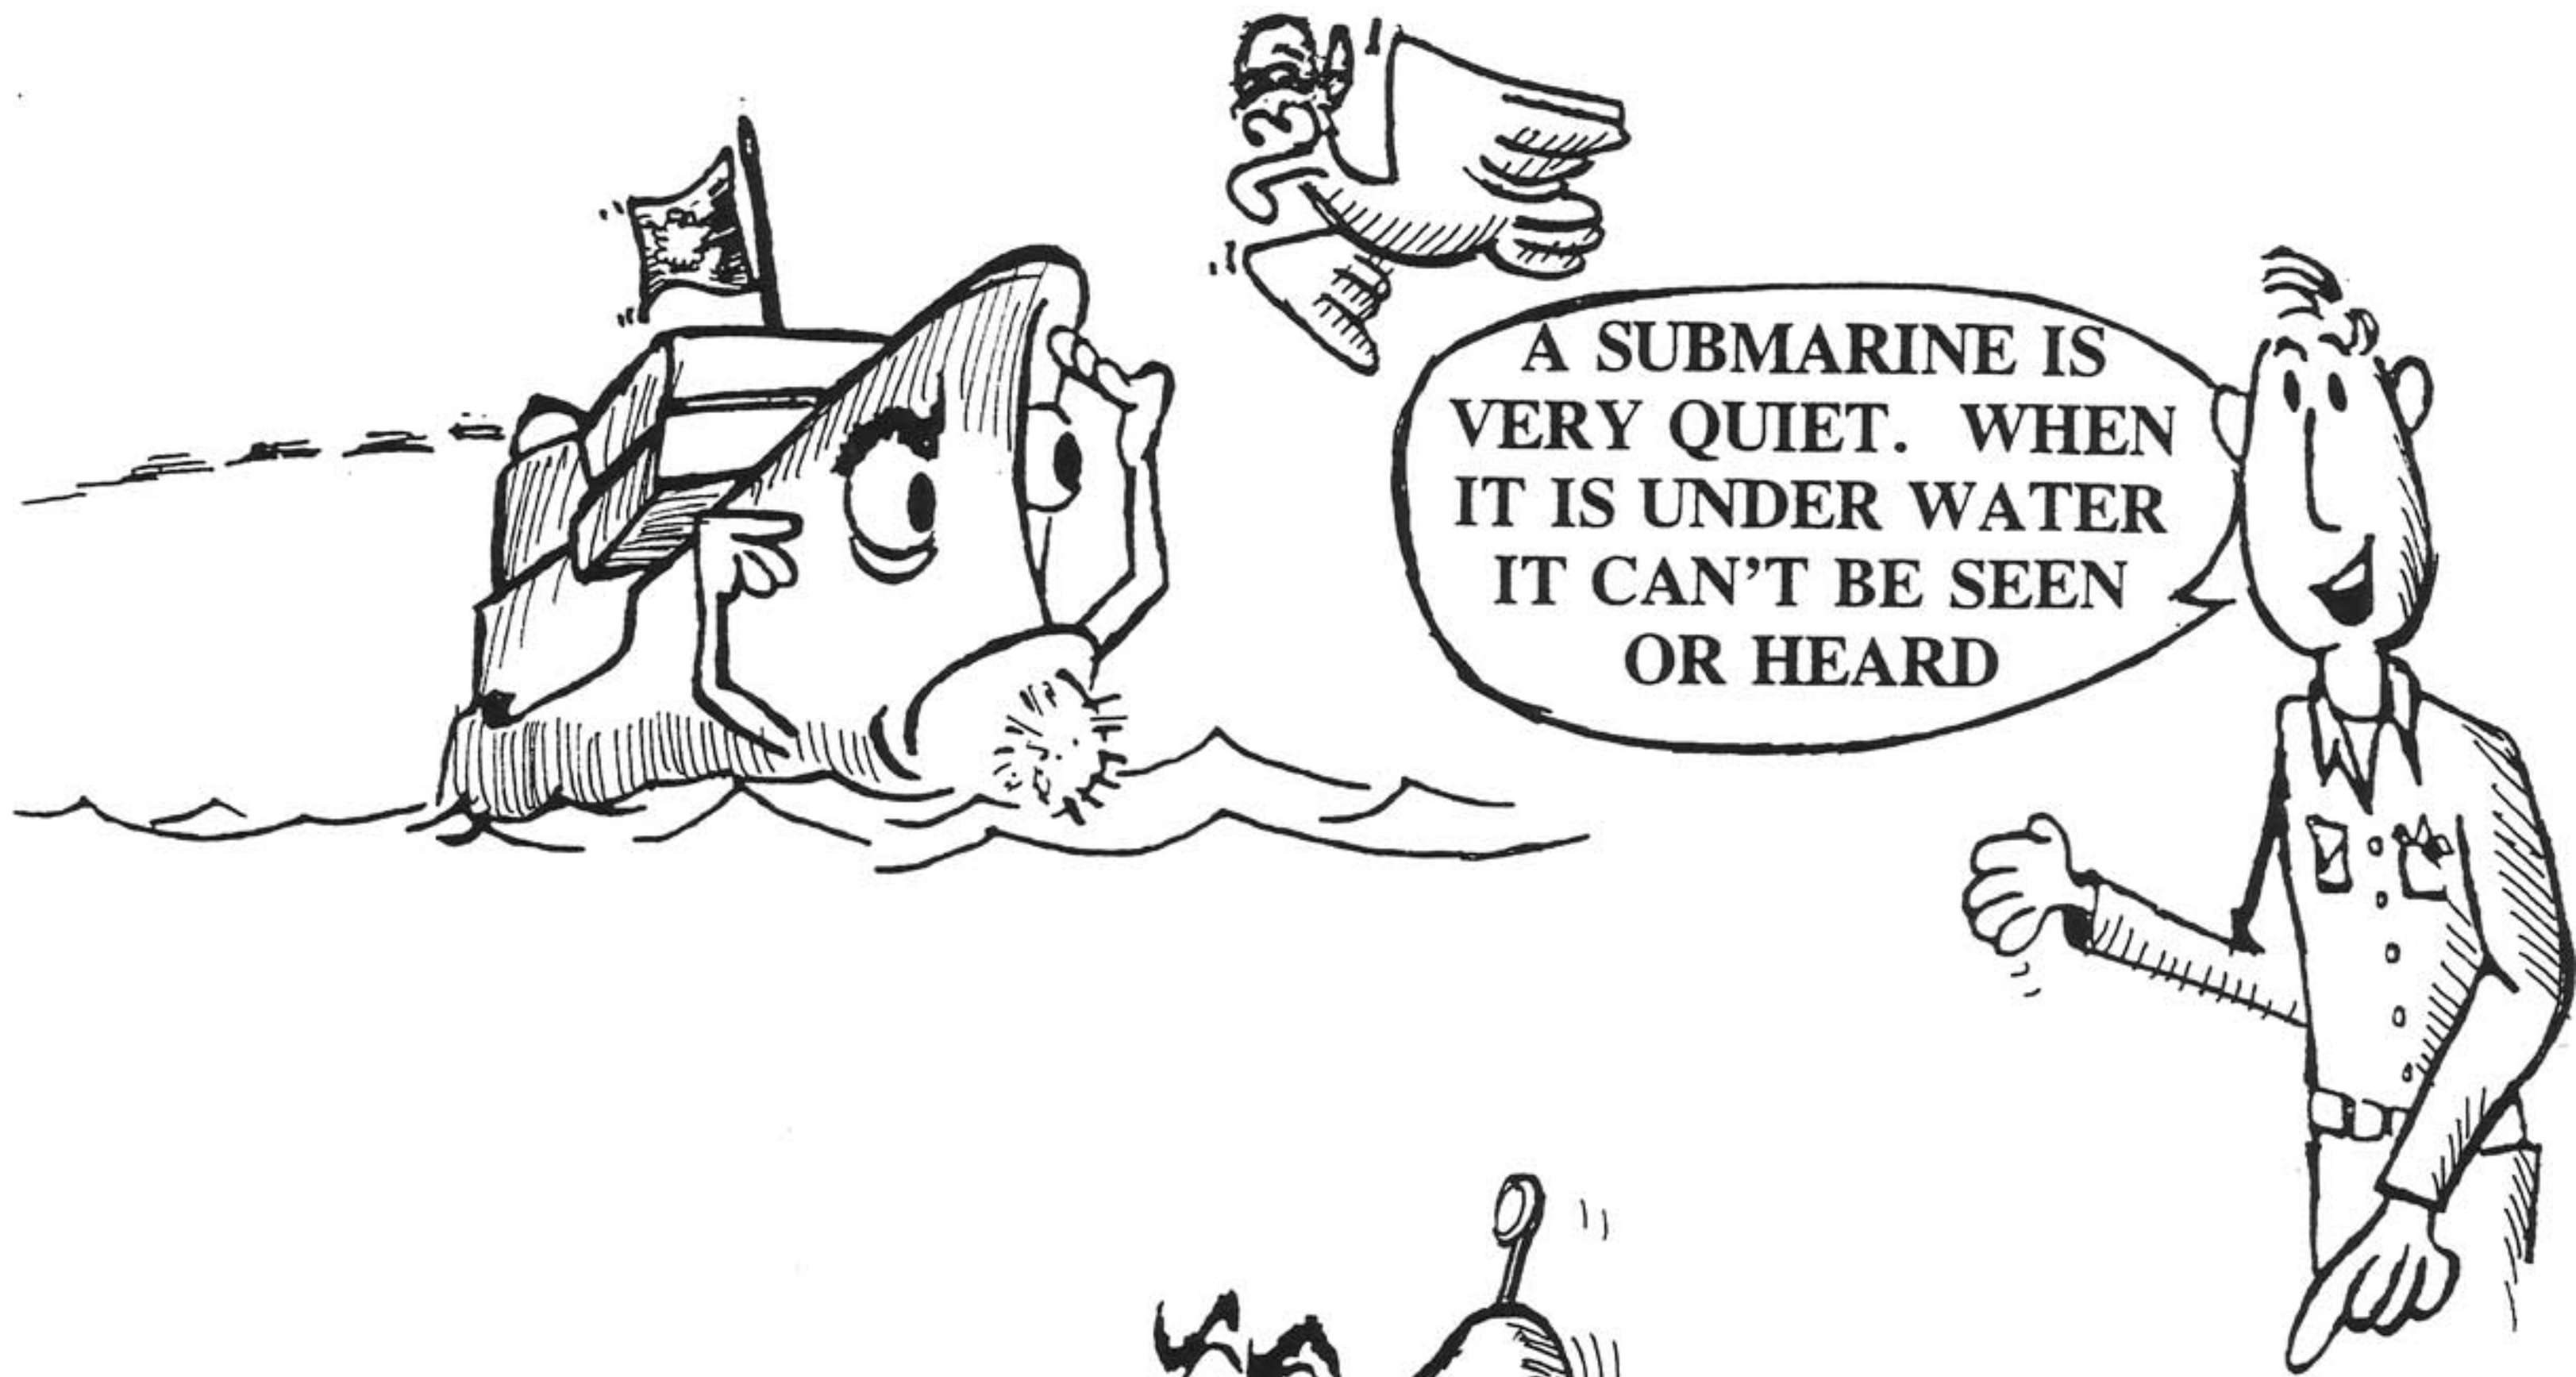

**BEFORE GOING OUT ON PATROL,
THE SUBMARINE TAKES A MONTH
TO MAKE REPAIRS TO THE BOAT
TO MAKE HER GOOD AS NEW. SHE
IS FIXED, PAINTED AND LOADED
WITH FOOD.**

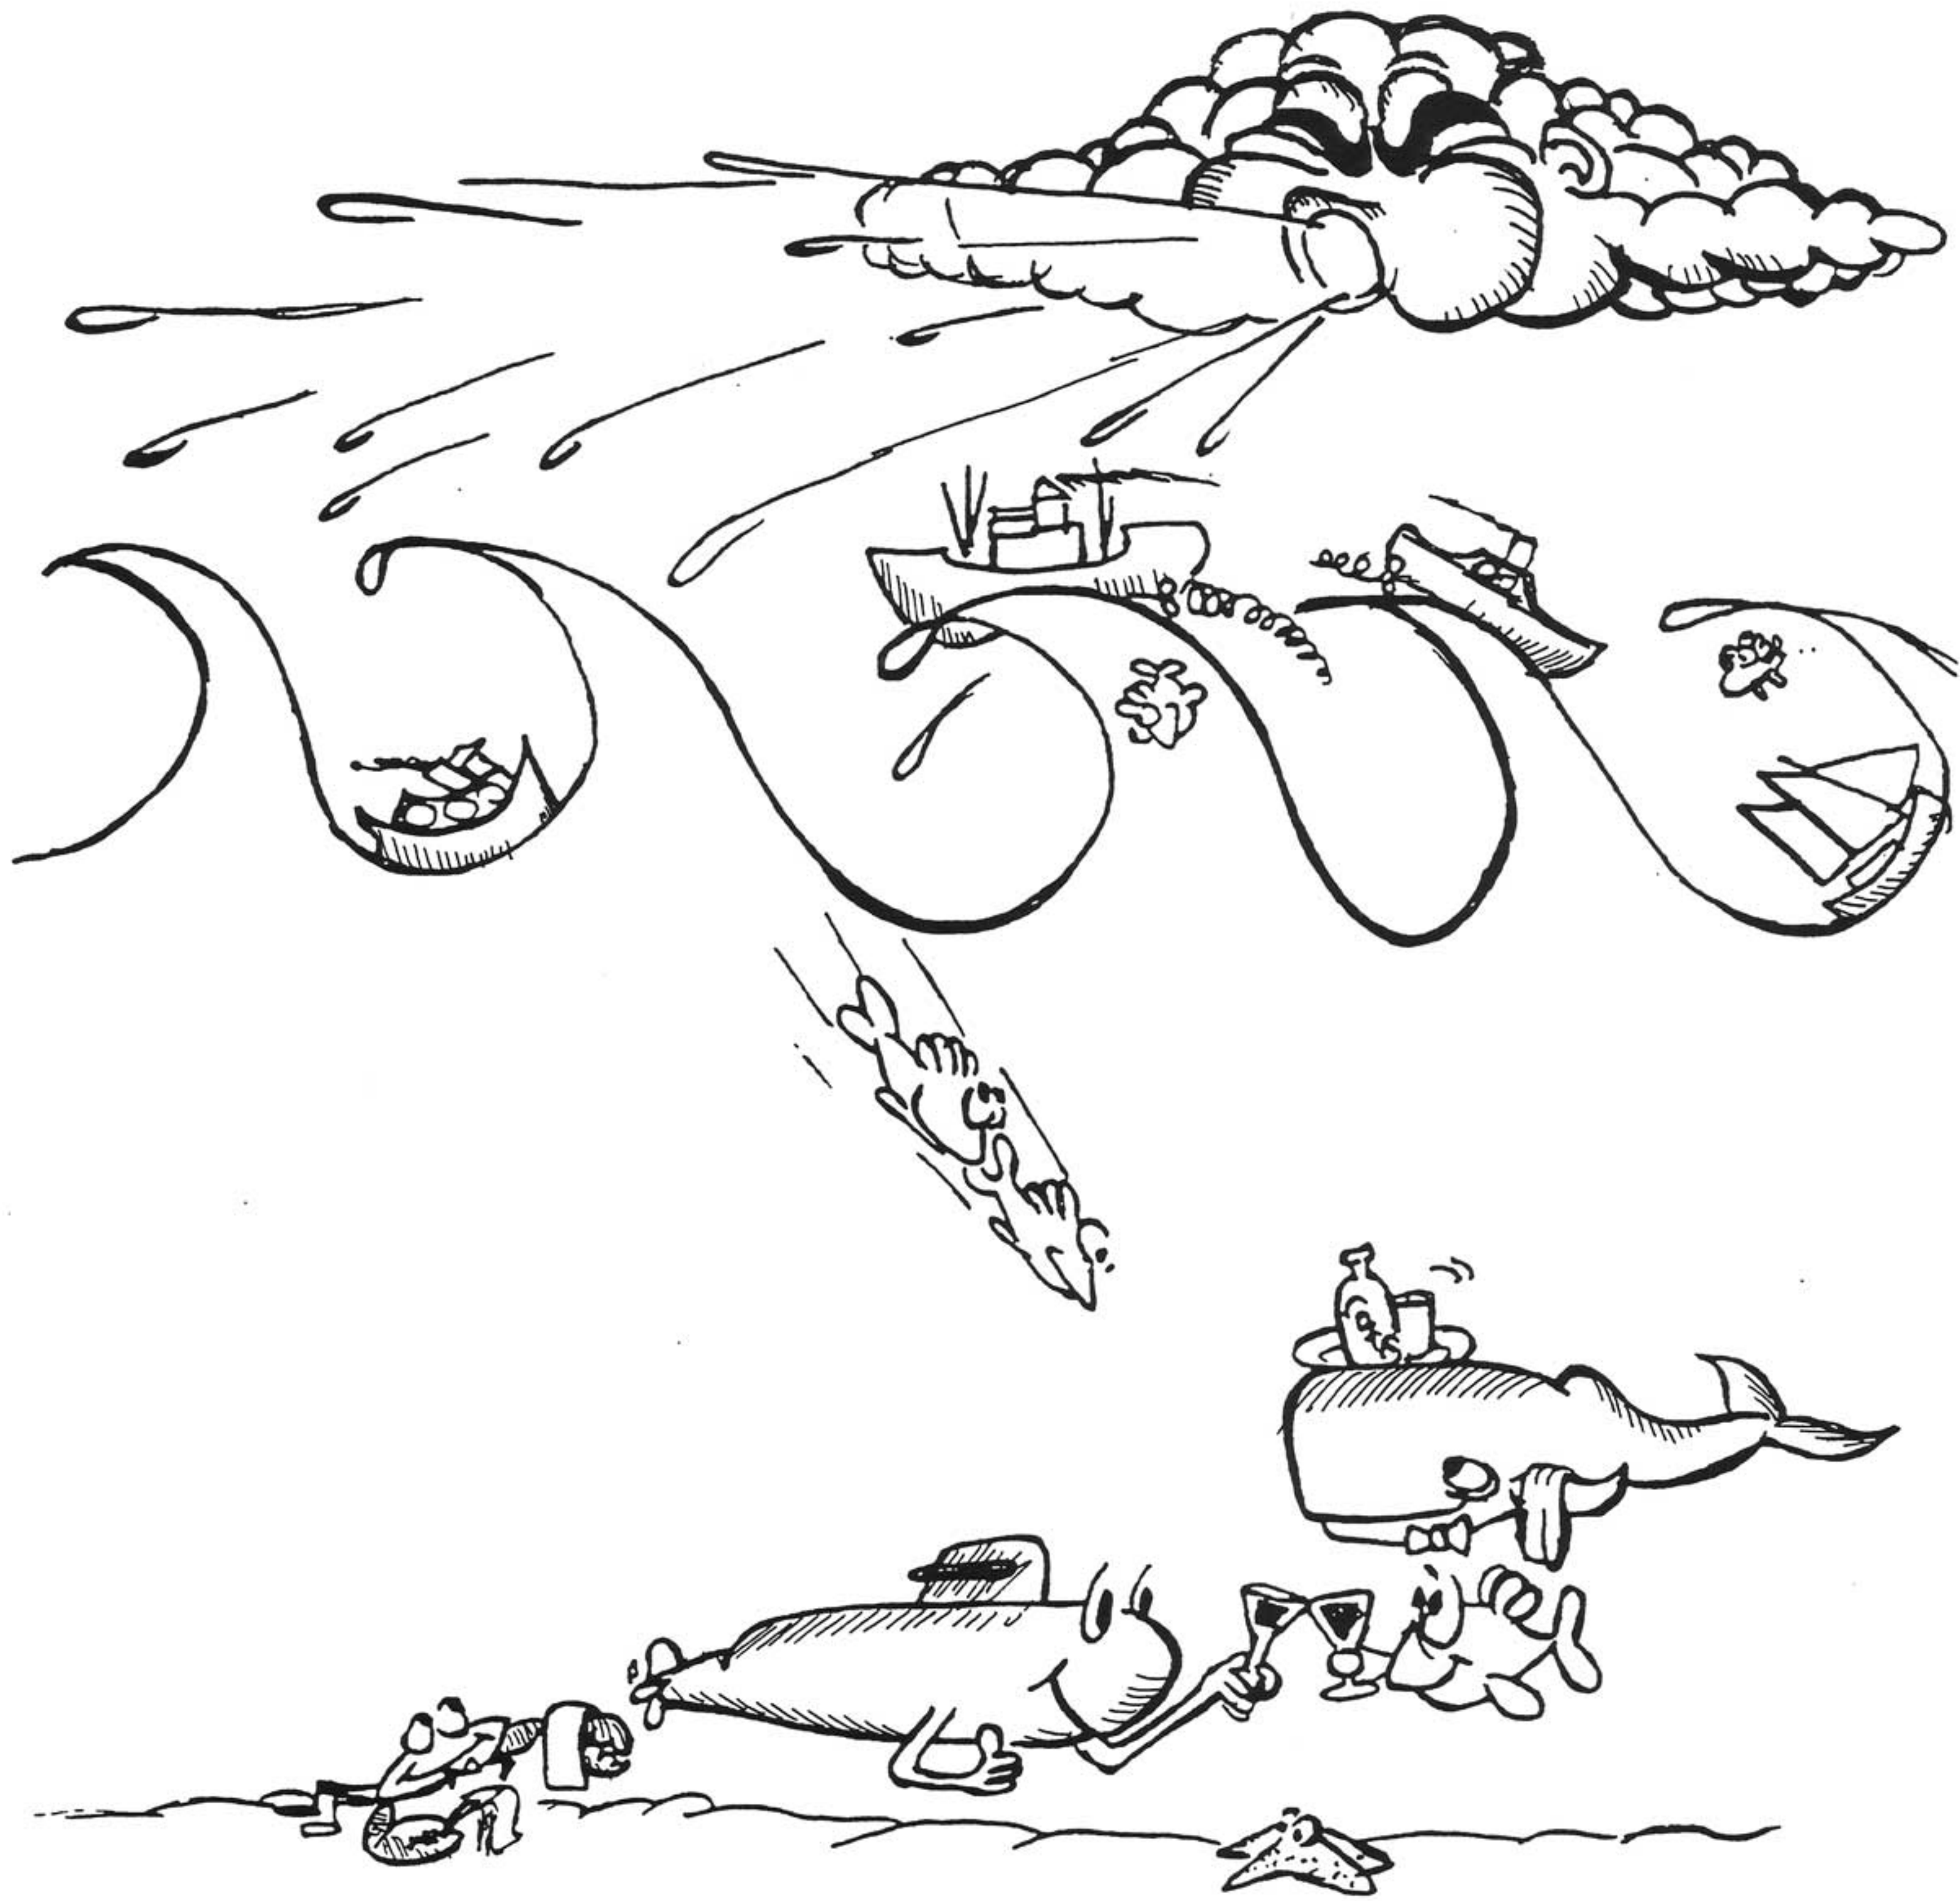

When the ship
is ready, we
take it out to sea

THEN WE PRACTICE ALL THE
THINGS A SUB CAN DO.

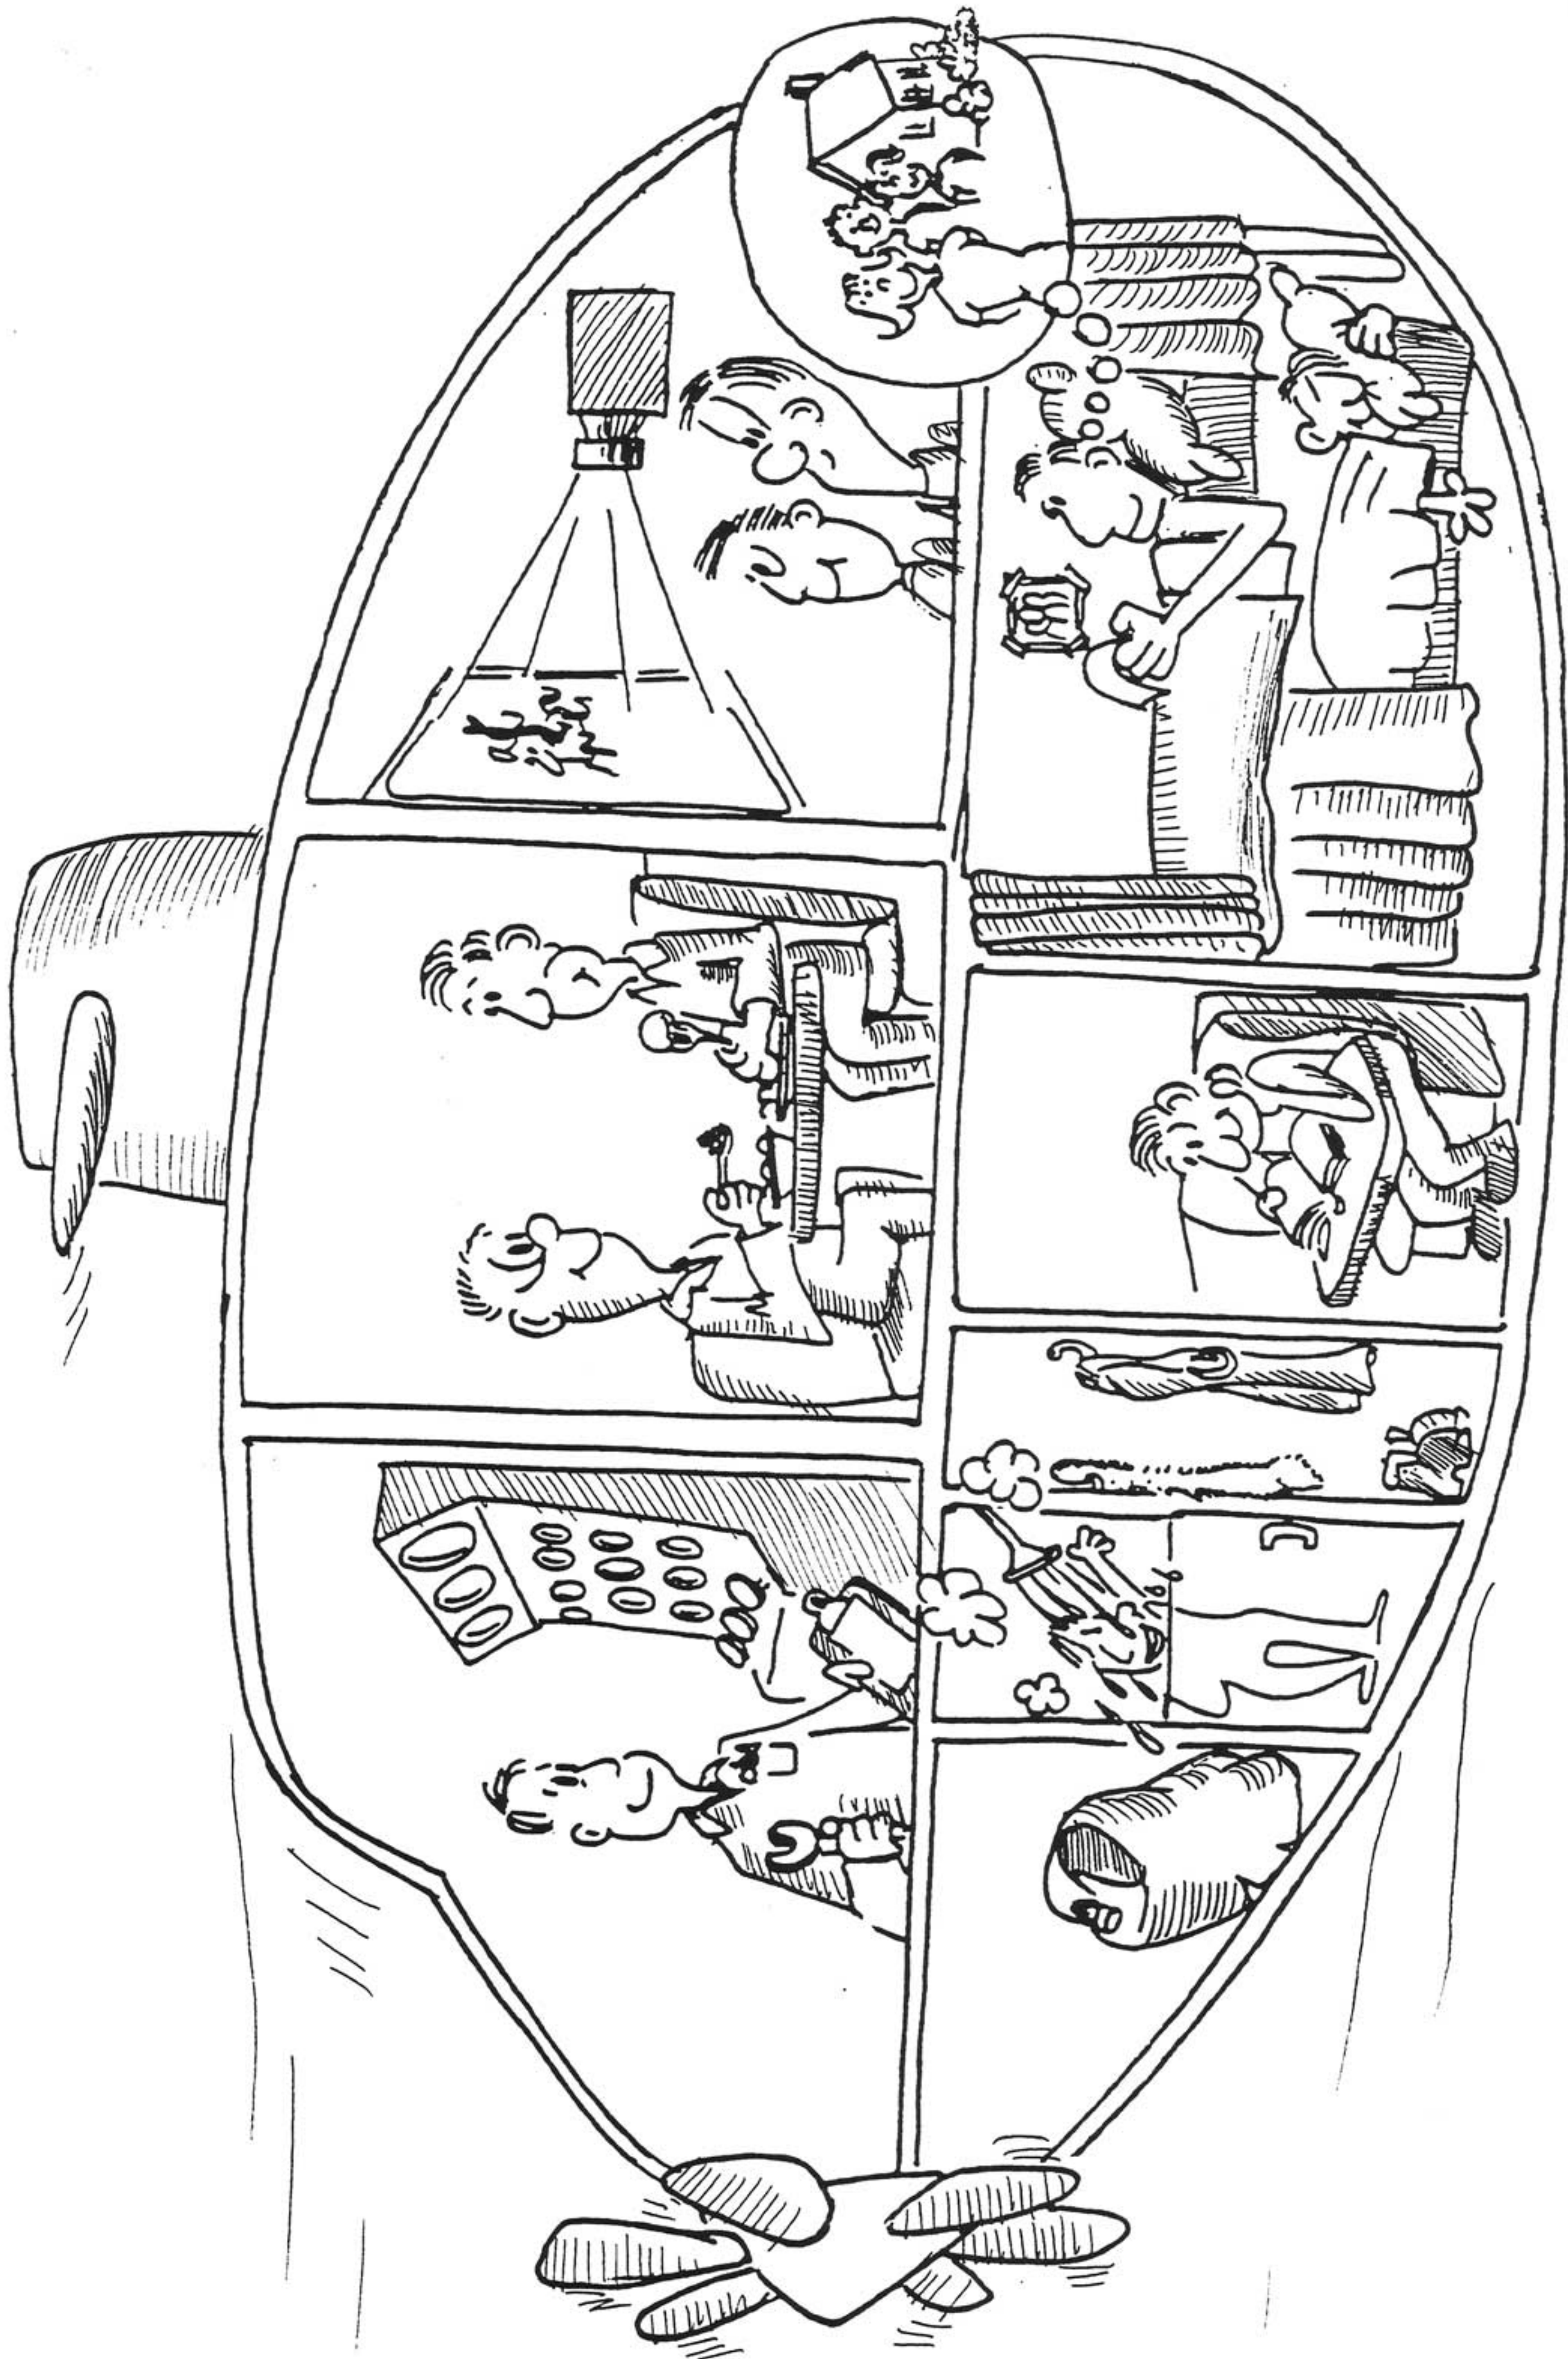

ONCE ON PATROL, THE STORMS CAN
BLOW, BUT WE ARE SAFE AND SOUND
IN THE DEPTHS OF THE OCEAN.

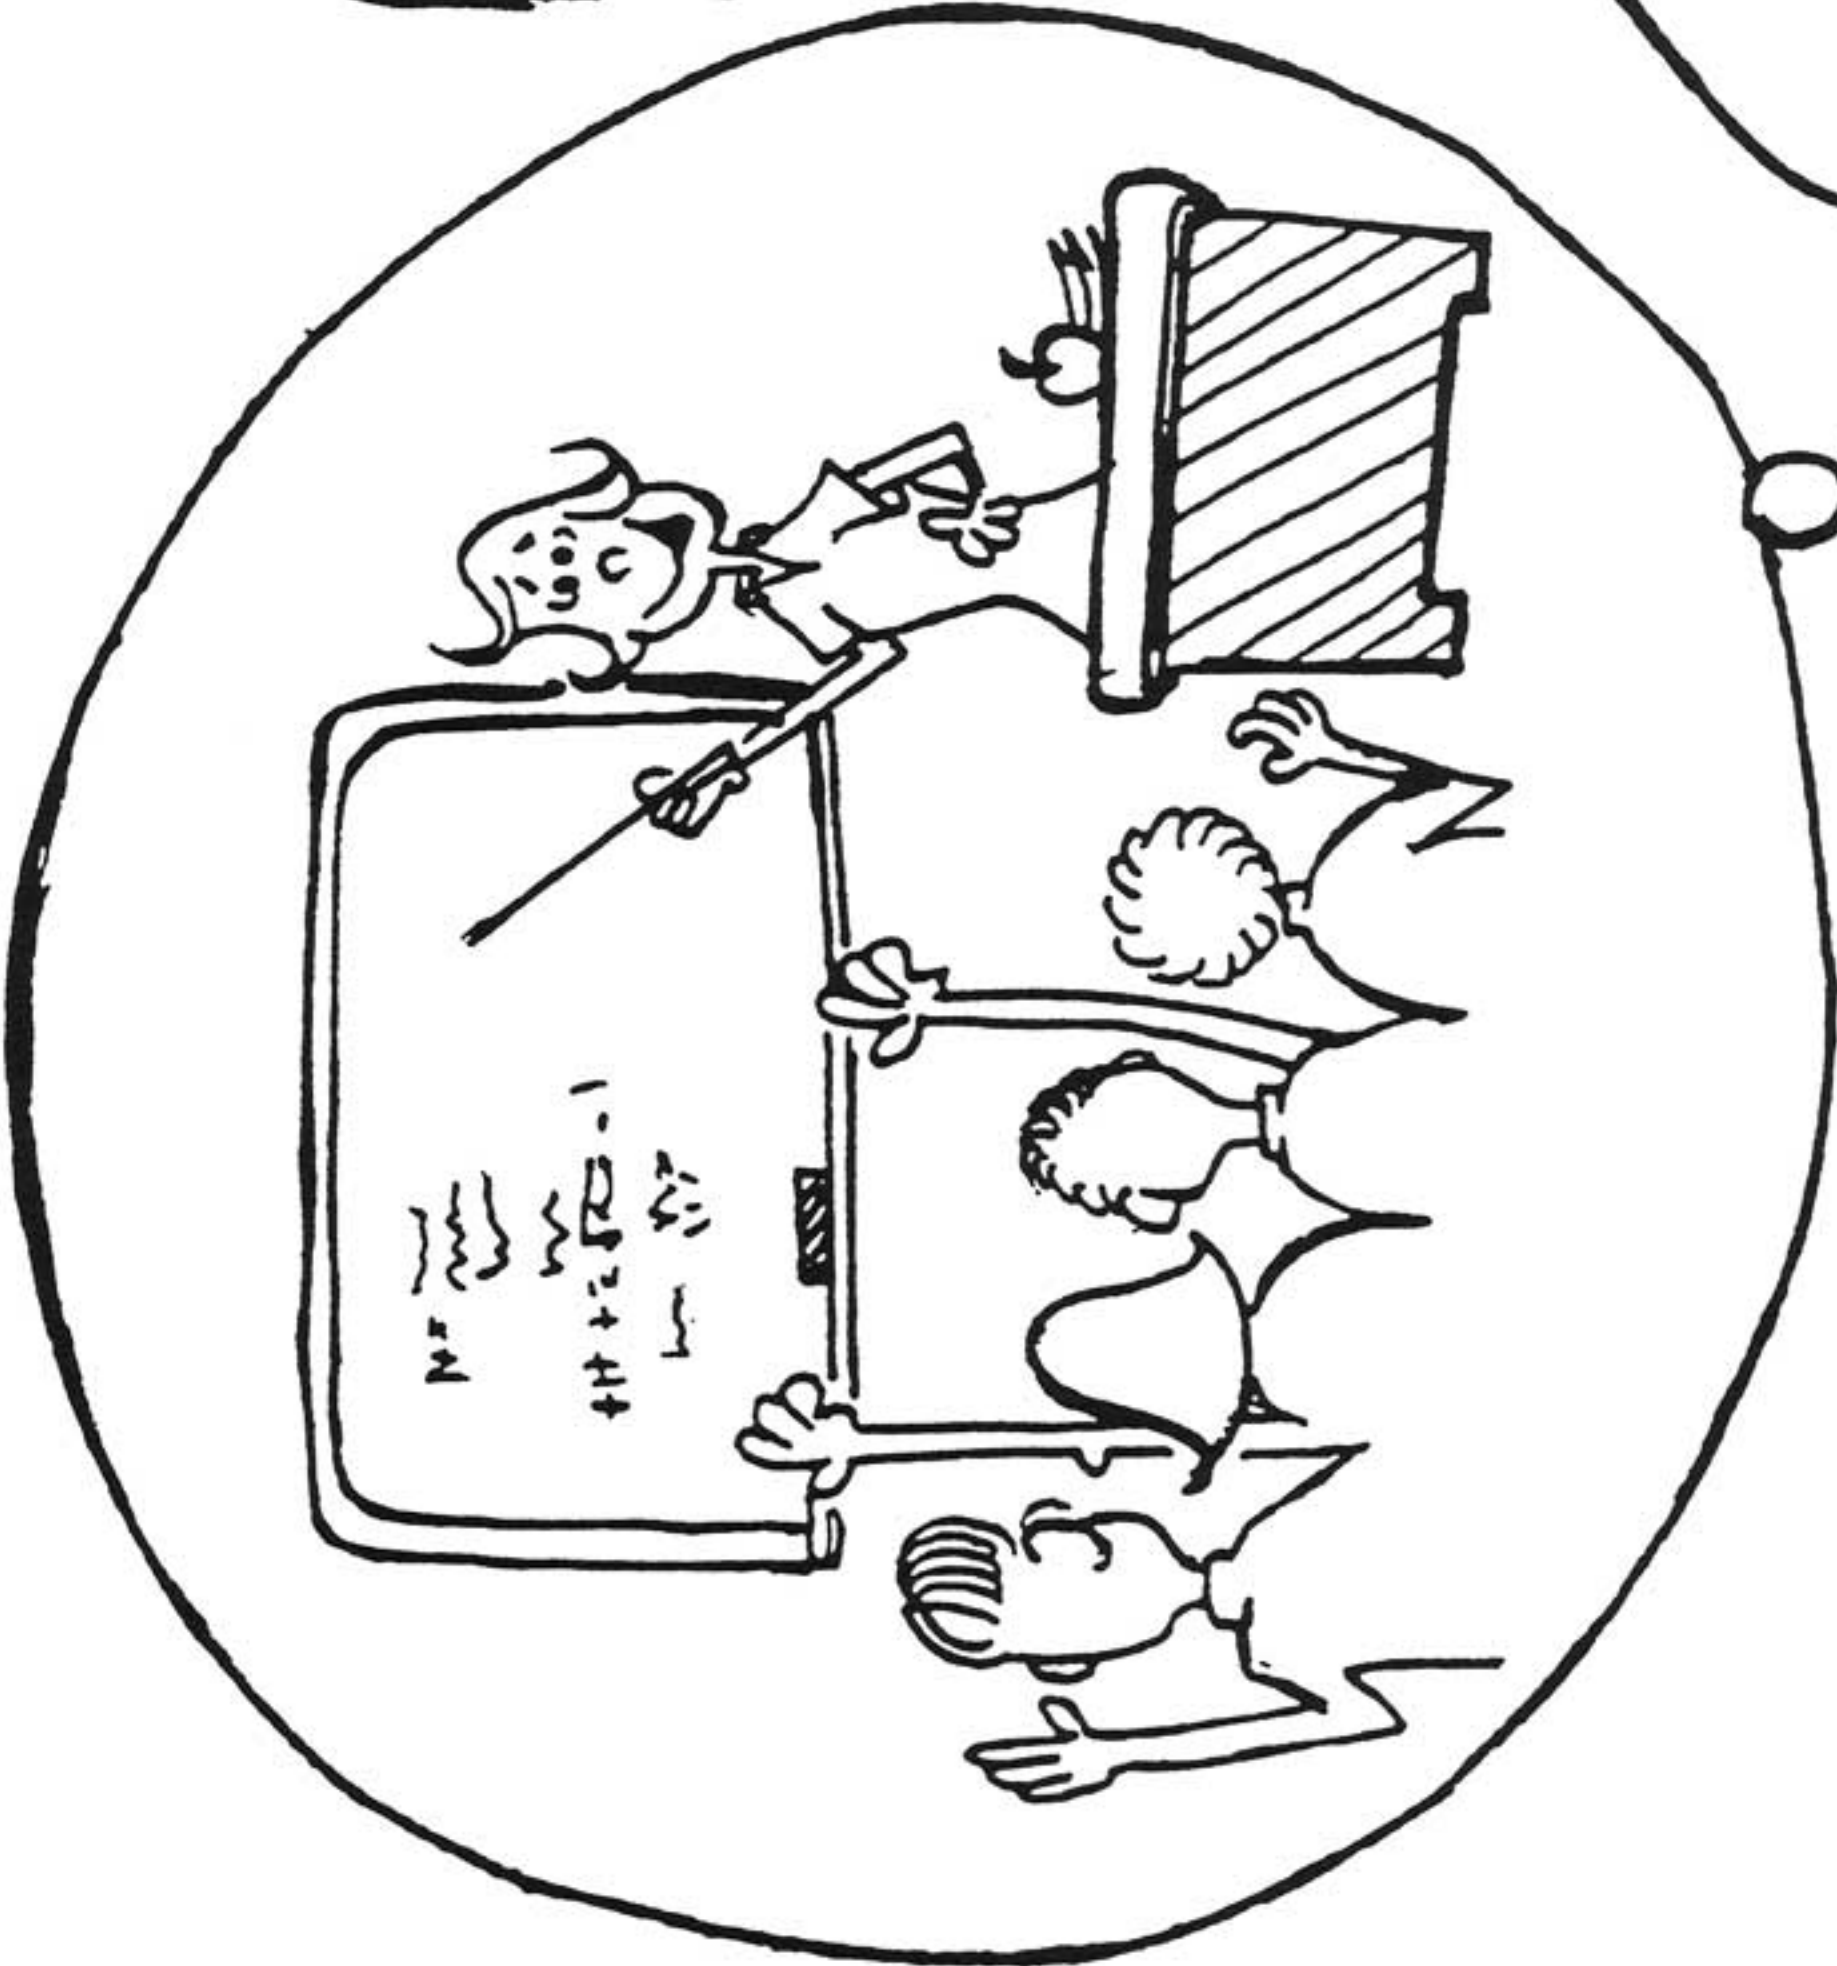

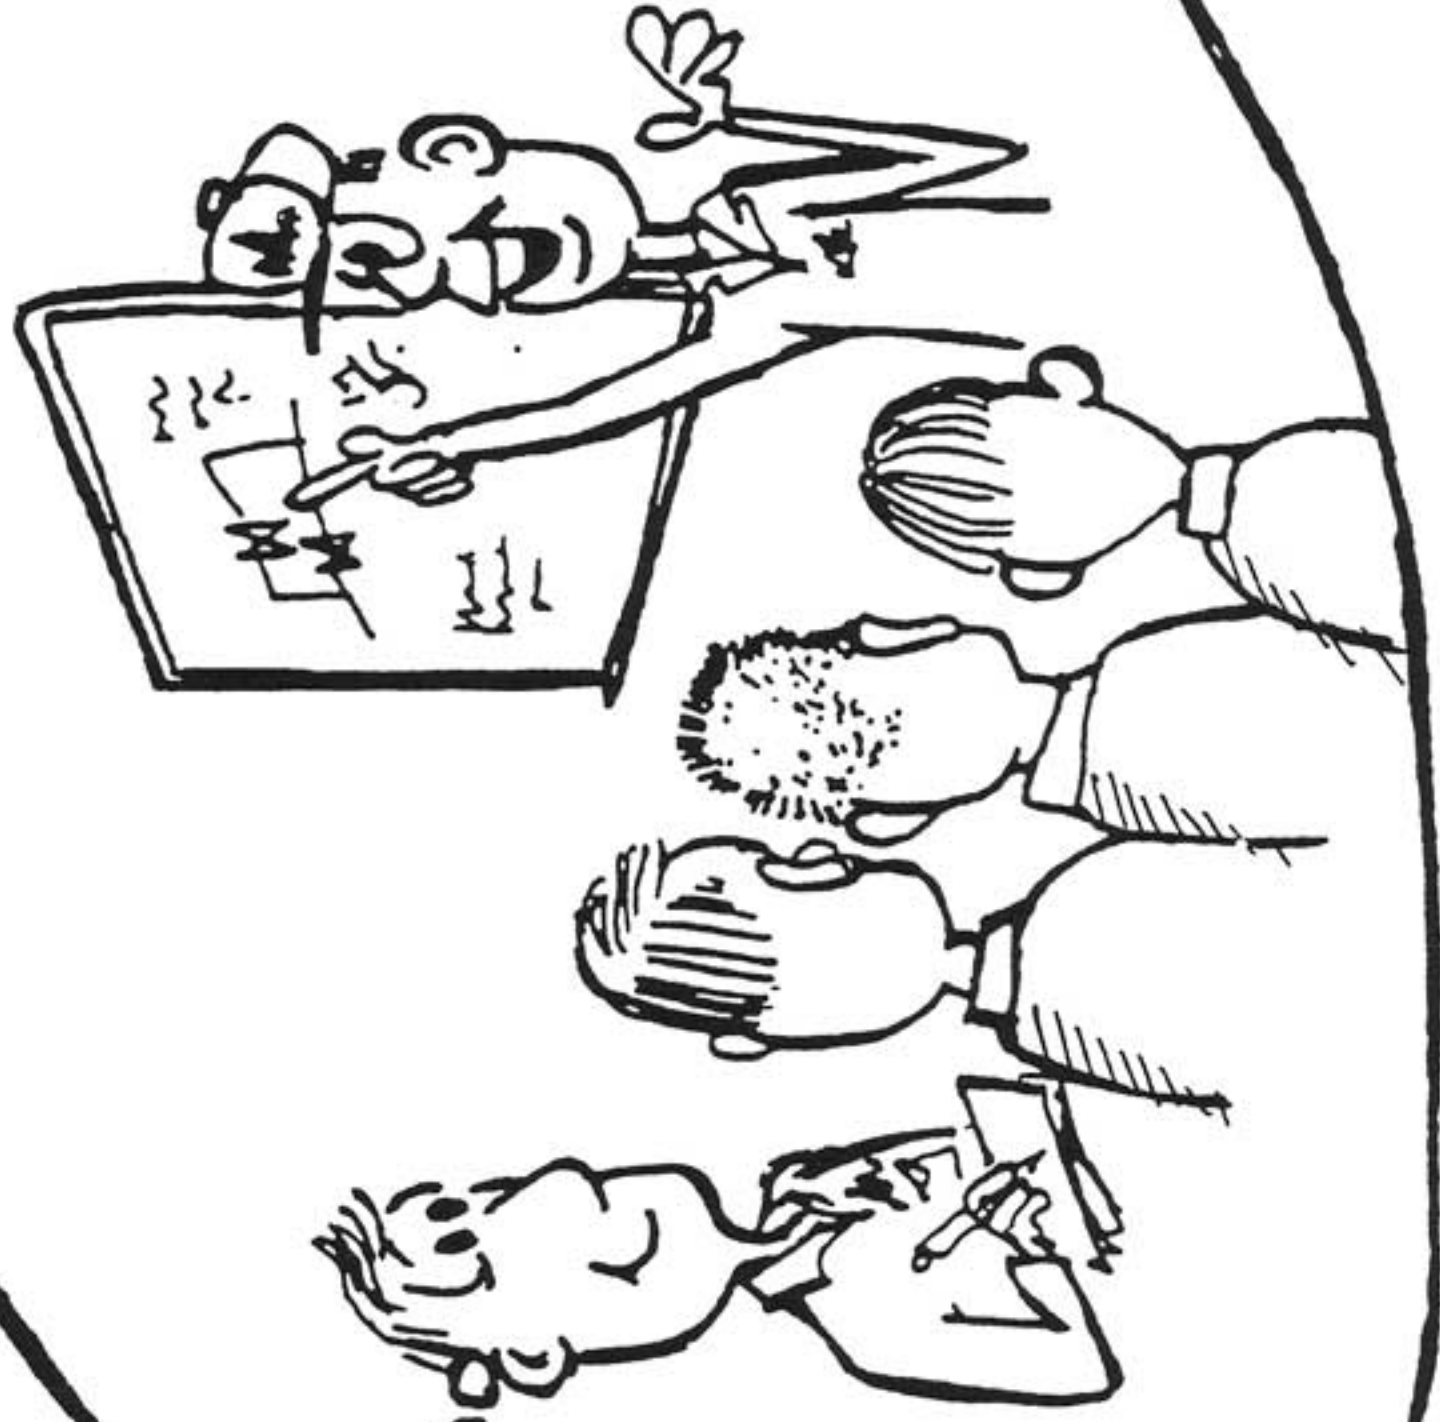

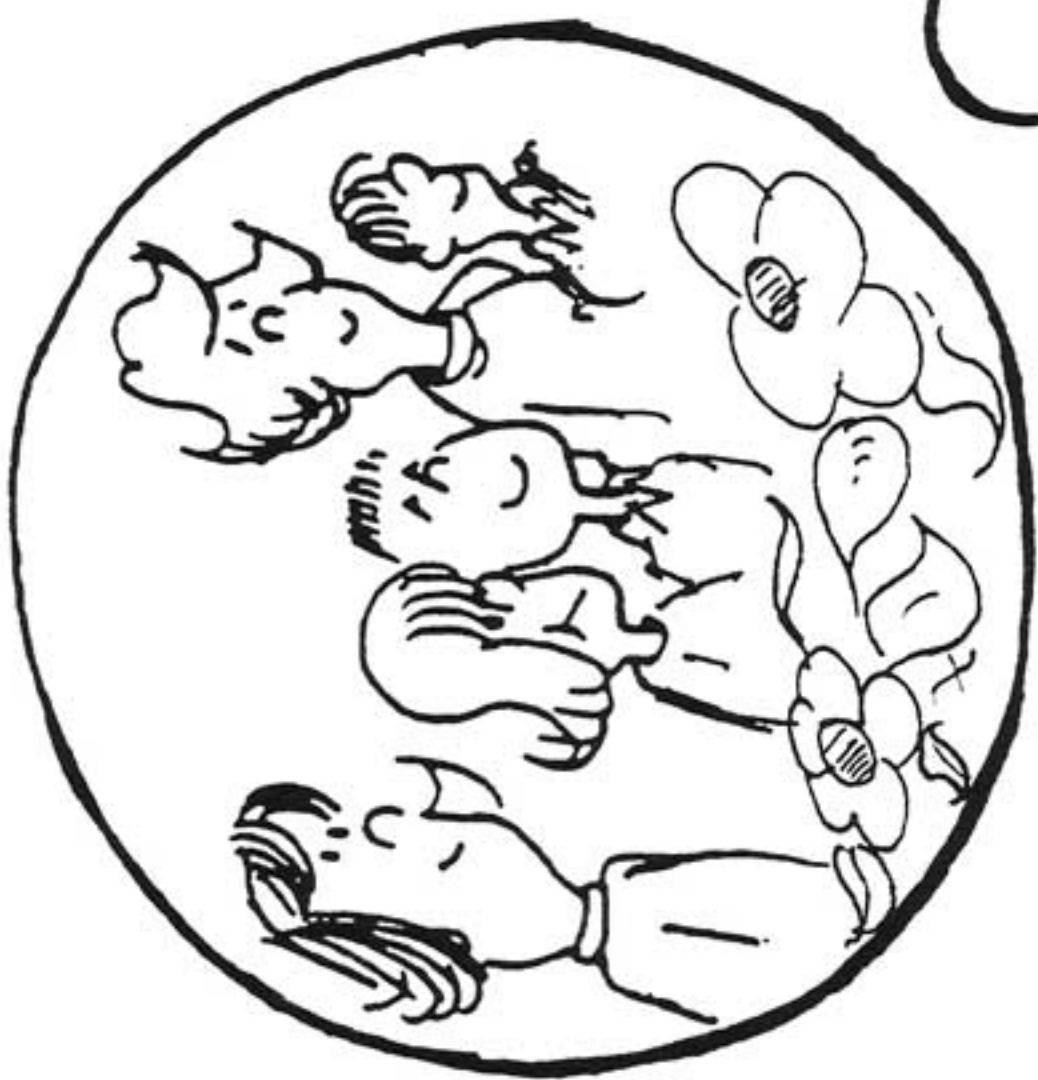

LIFE ABOARD THE BOAT IS
LIKE LIFE AT HOME.

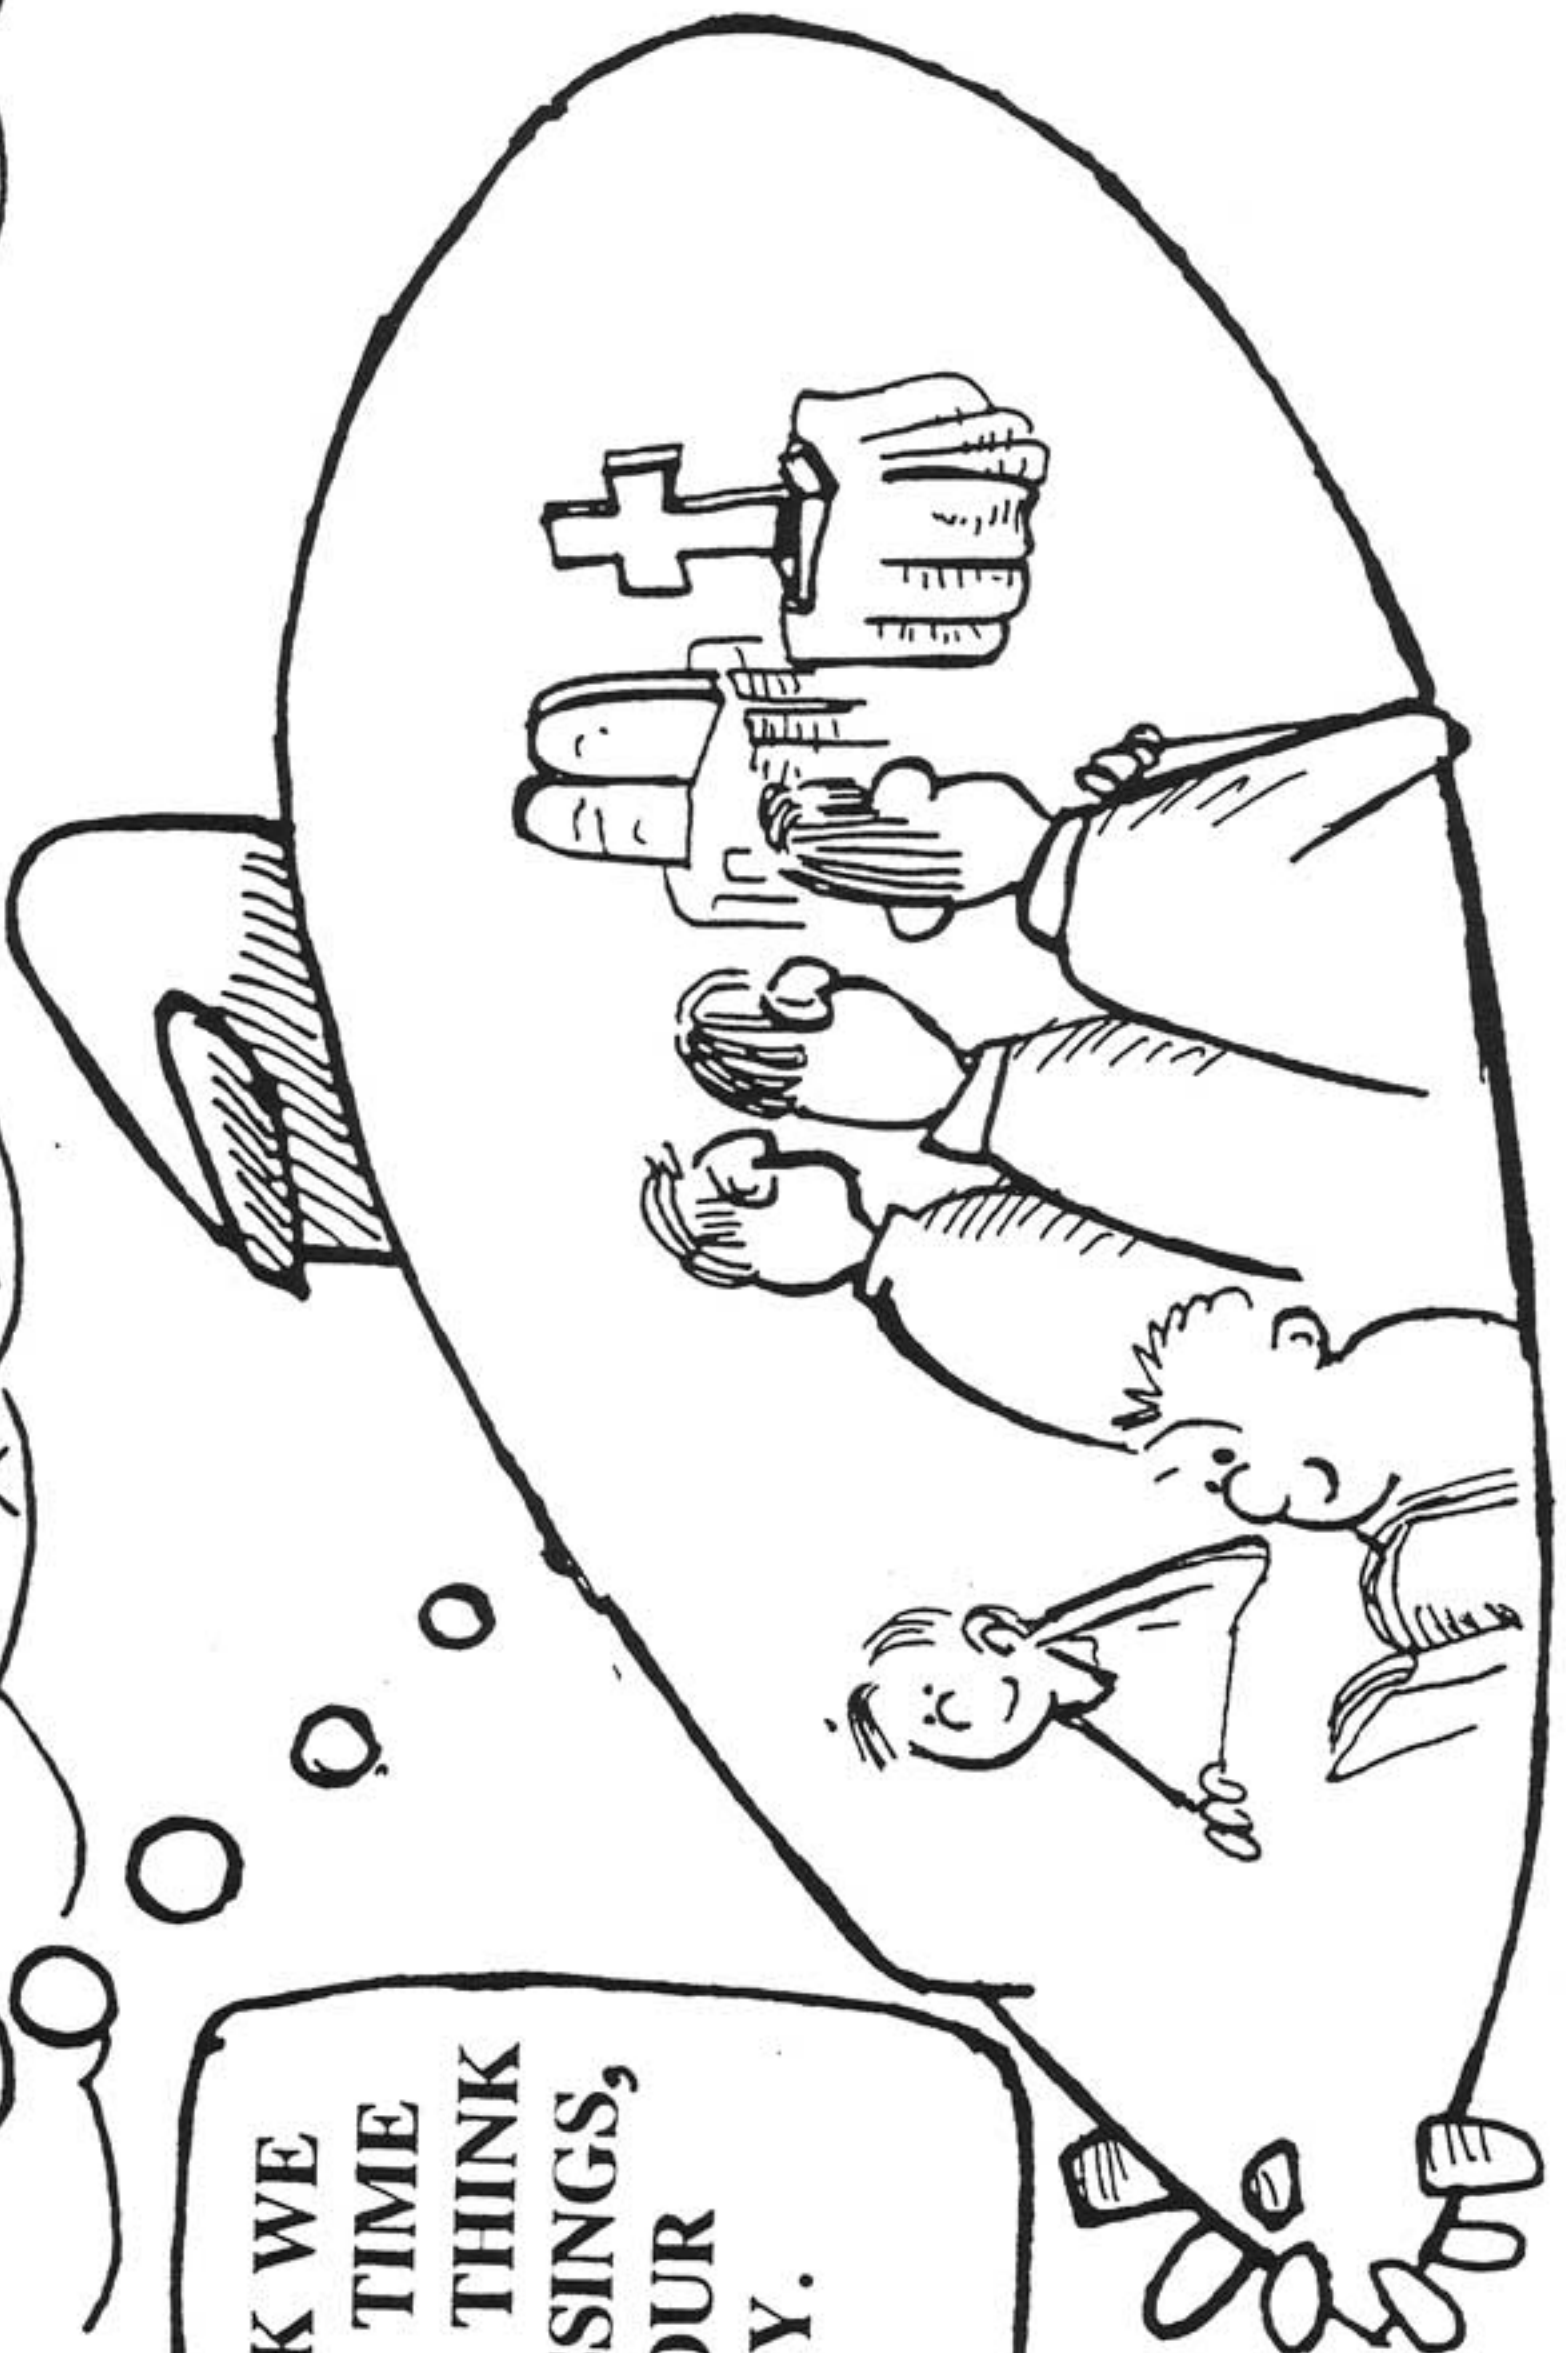

DURING PATROL, WE GO
TO SCHOOL TO LEARN
MORE ABOUT THE SUBMARINE.
THIS IS LIKE SCHOOL
AT HOME.

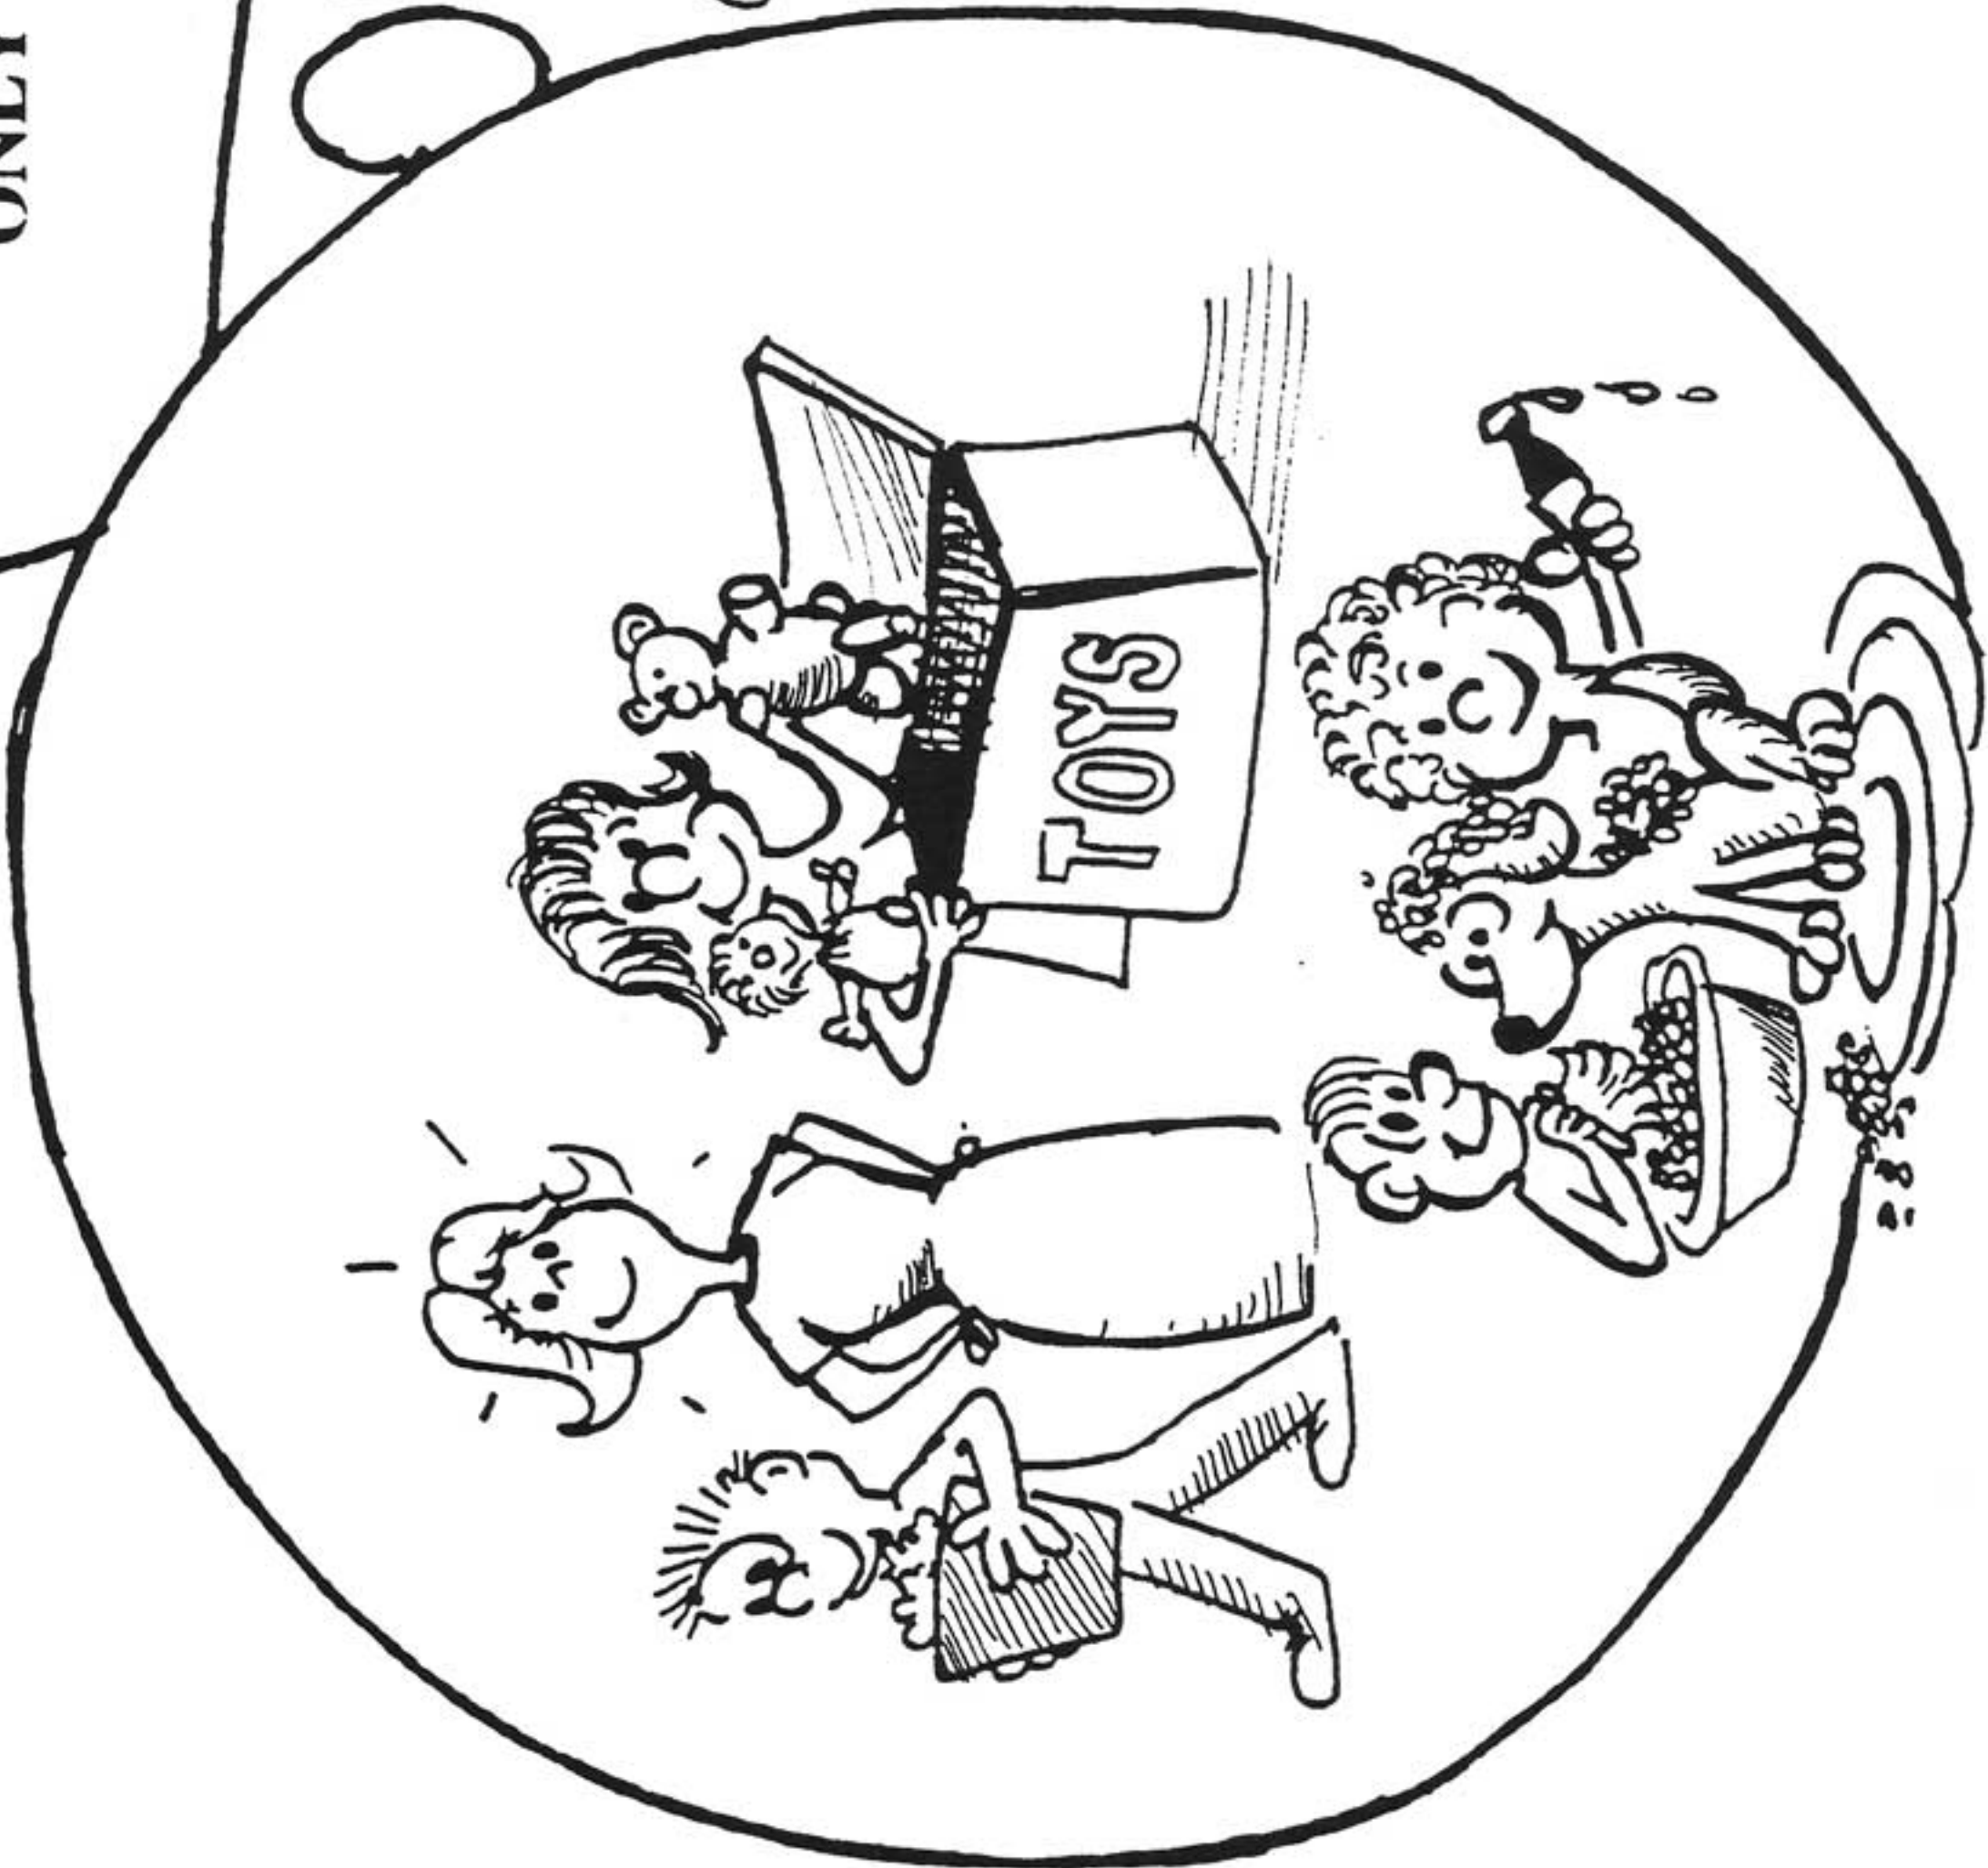

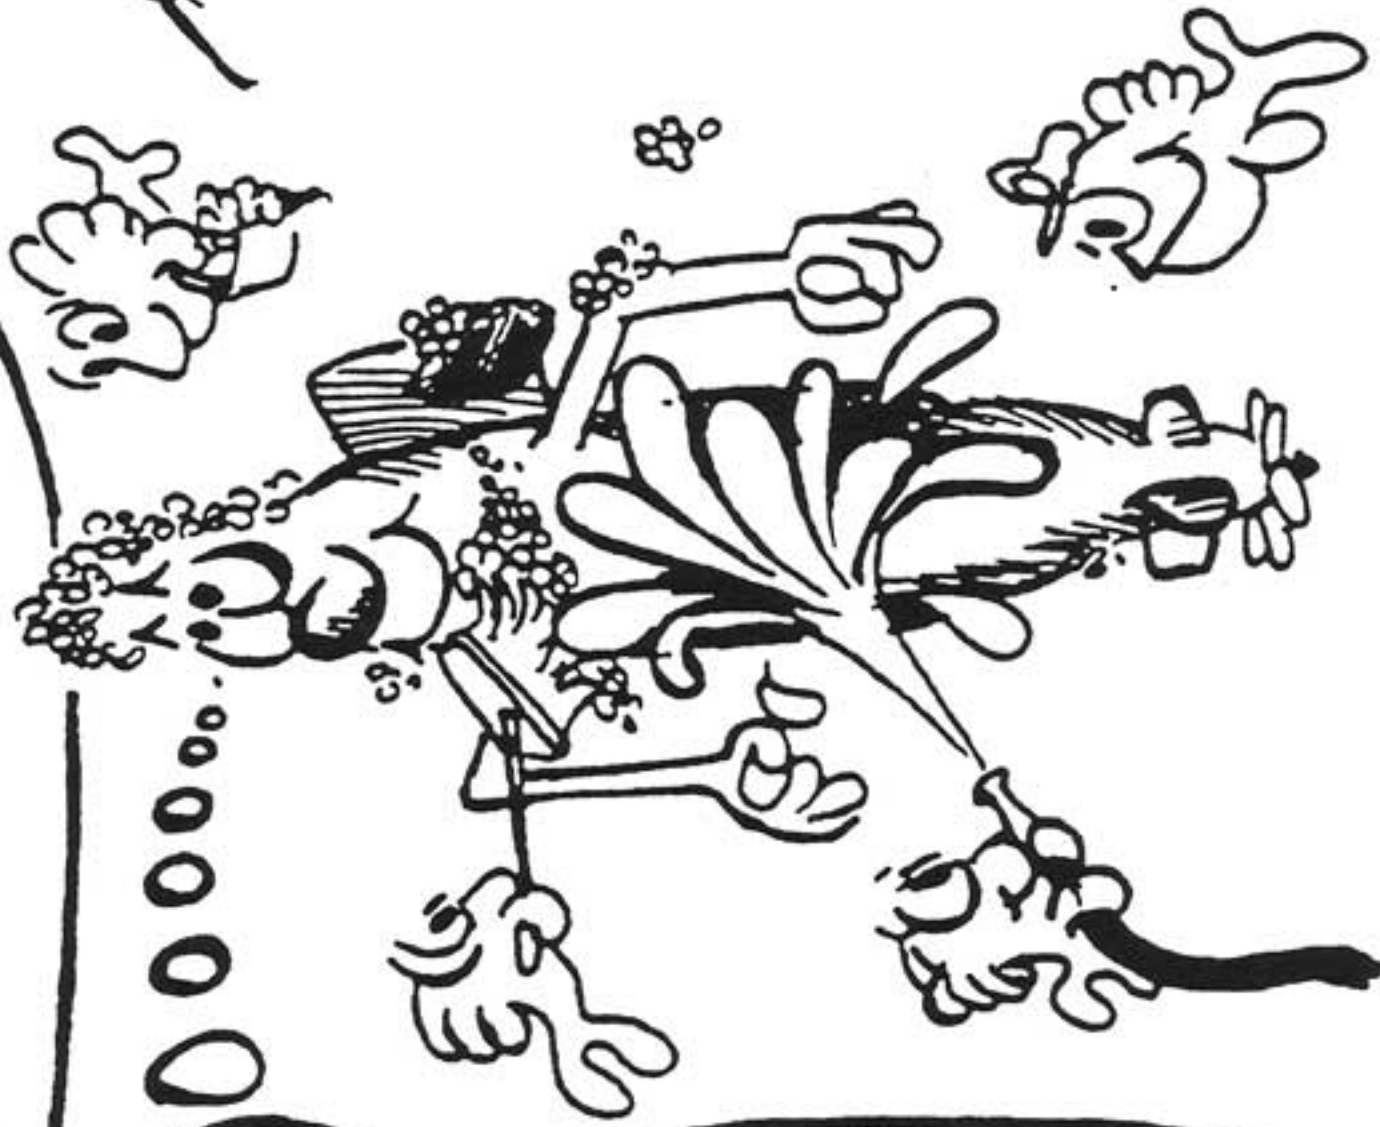

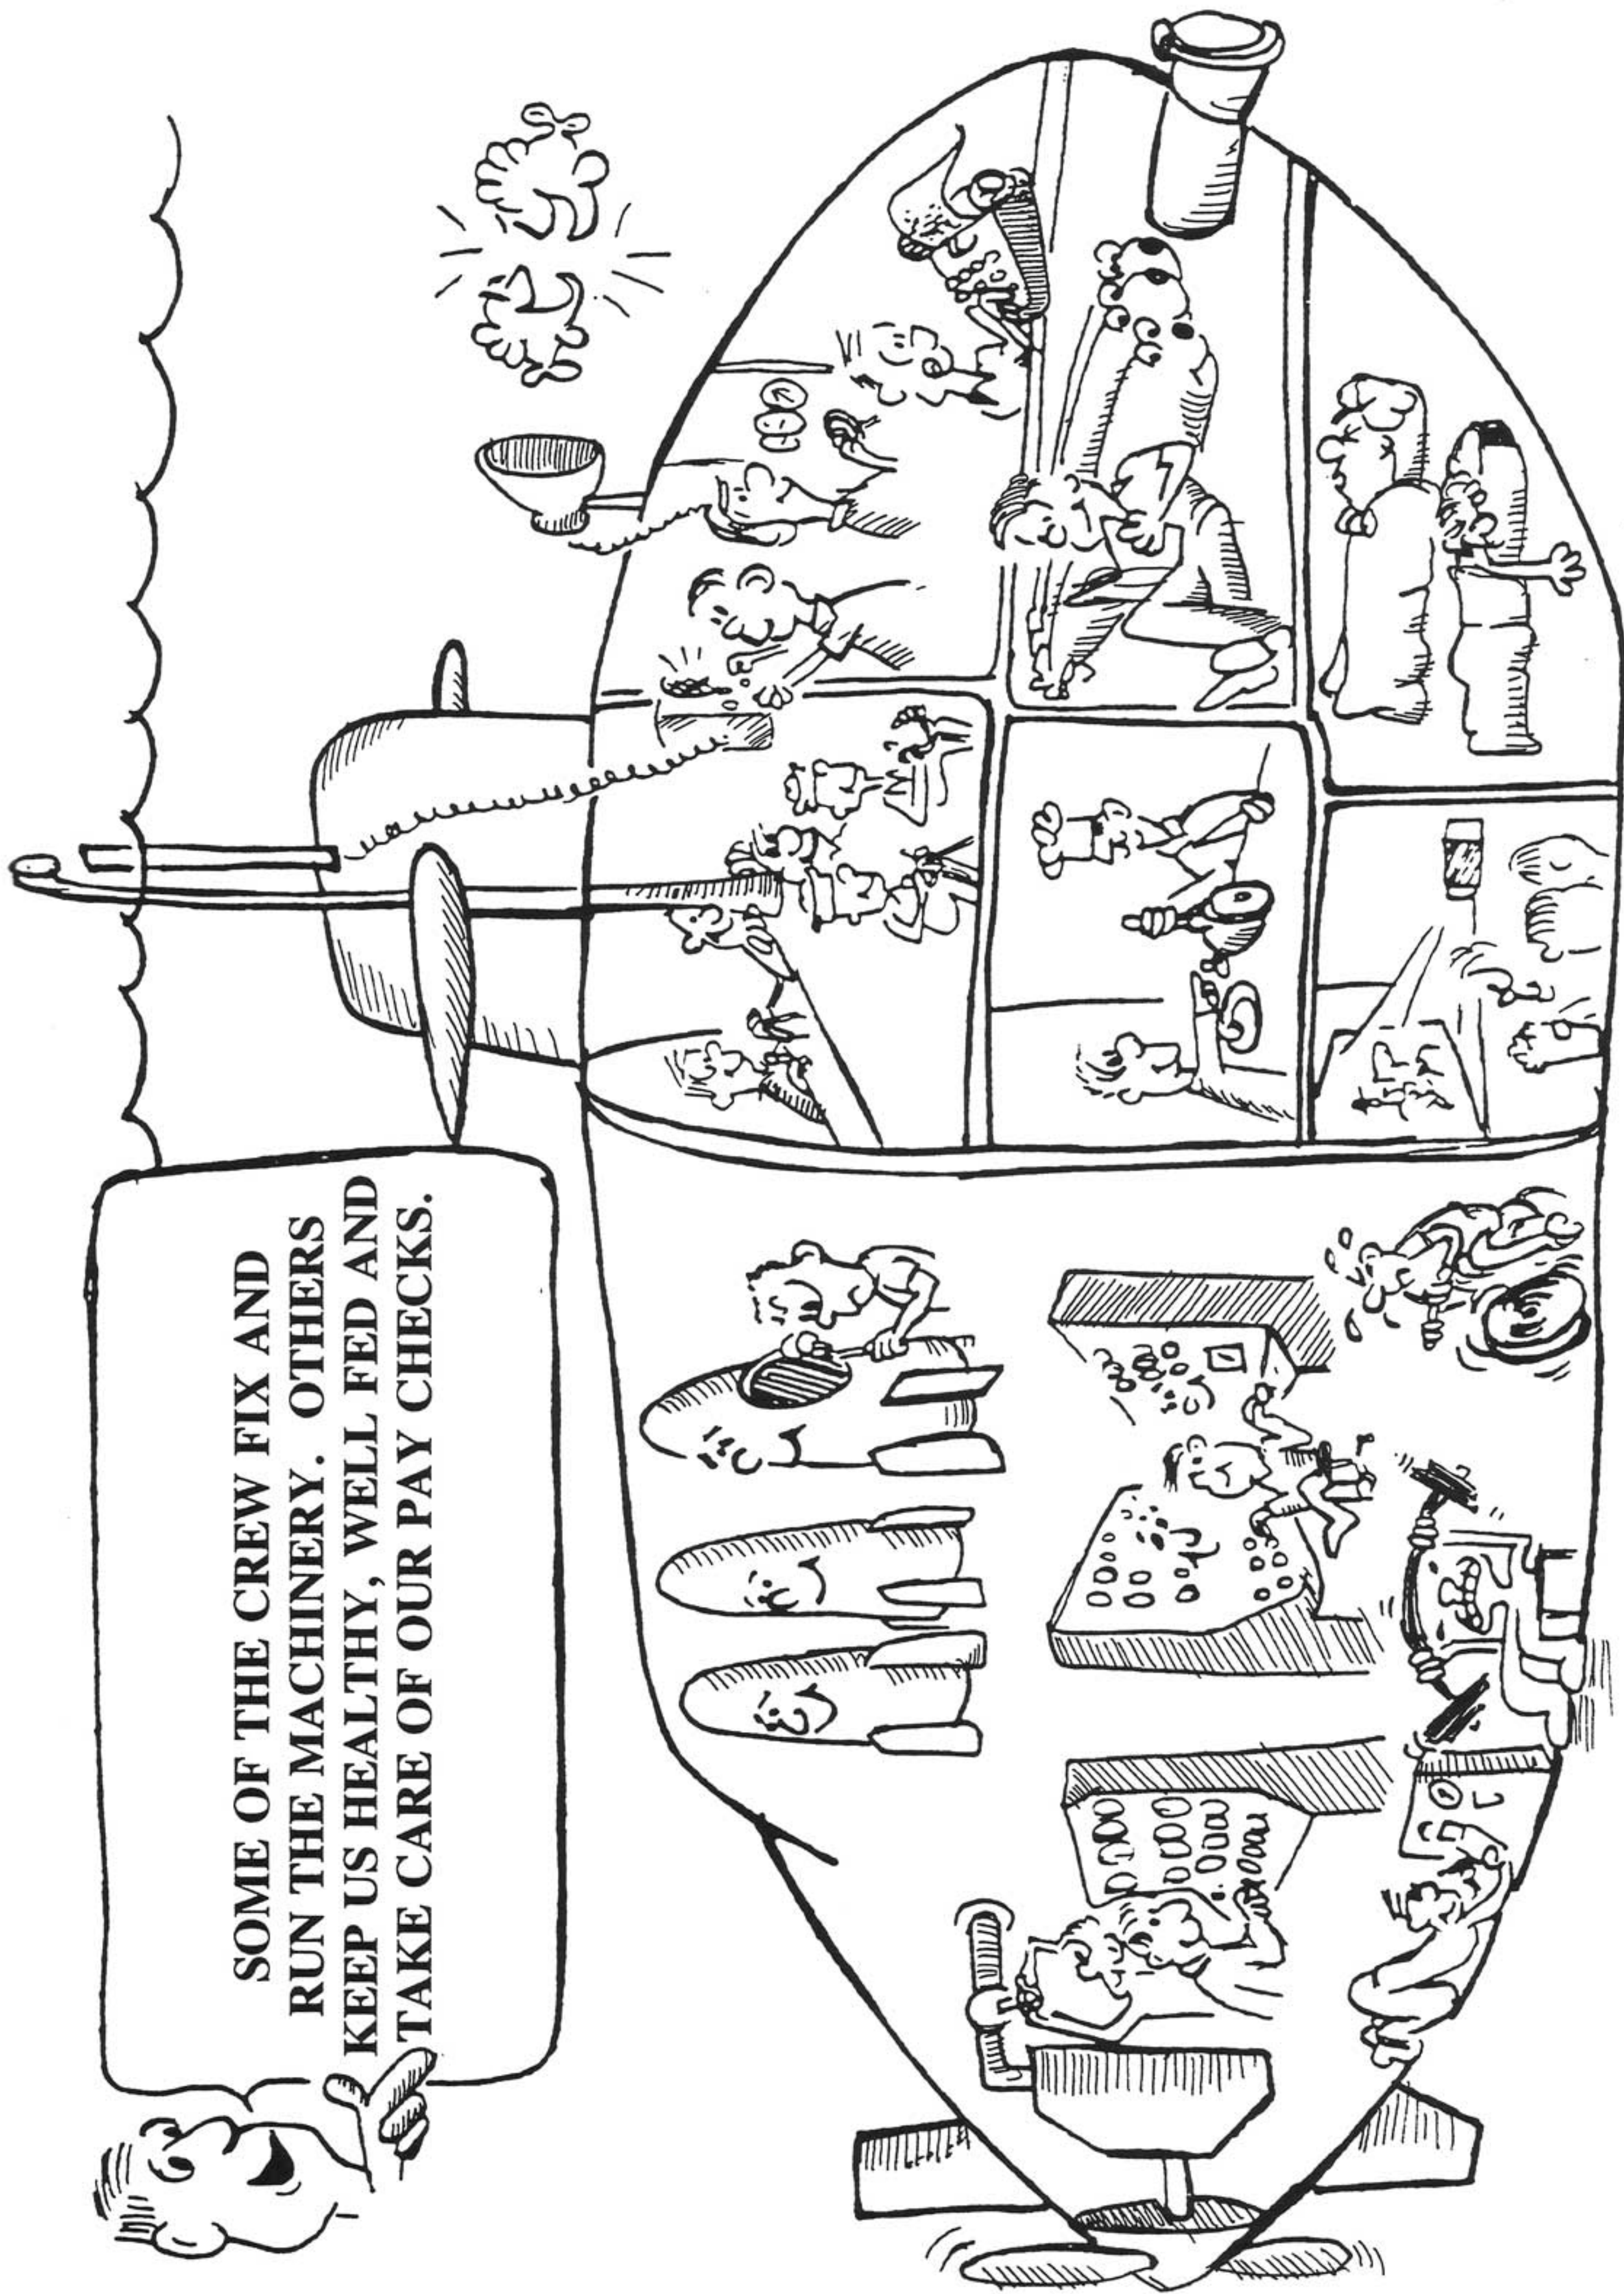

**EACH WEEK WE
TAKE SOME TIME
TO REST AND THINK
OF OUR BLESSINGS,
EACH IN OUR
OWN WAY.**

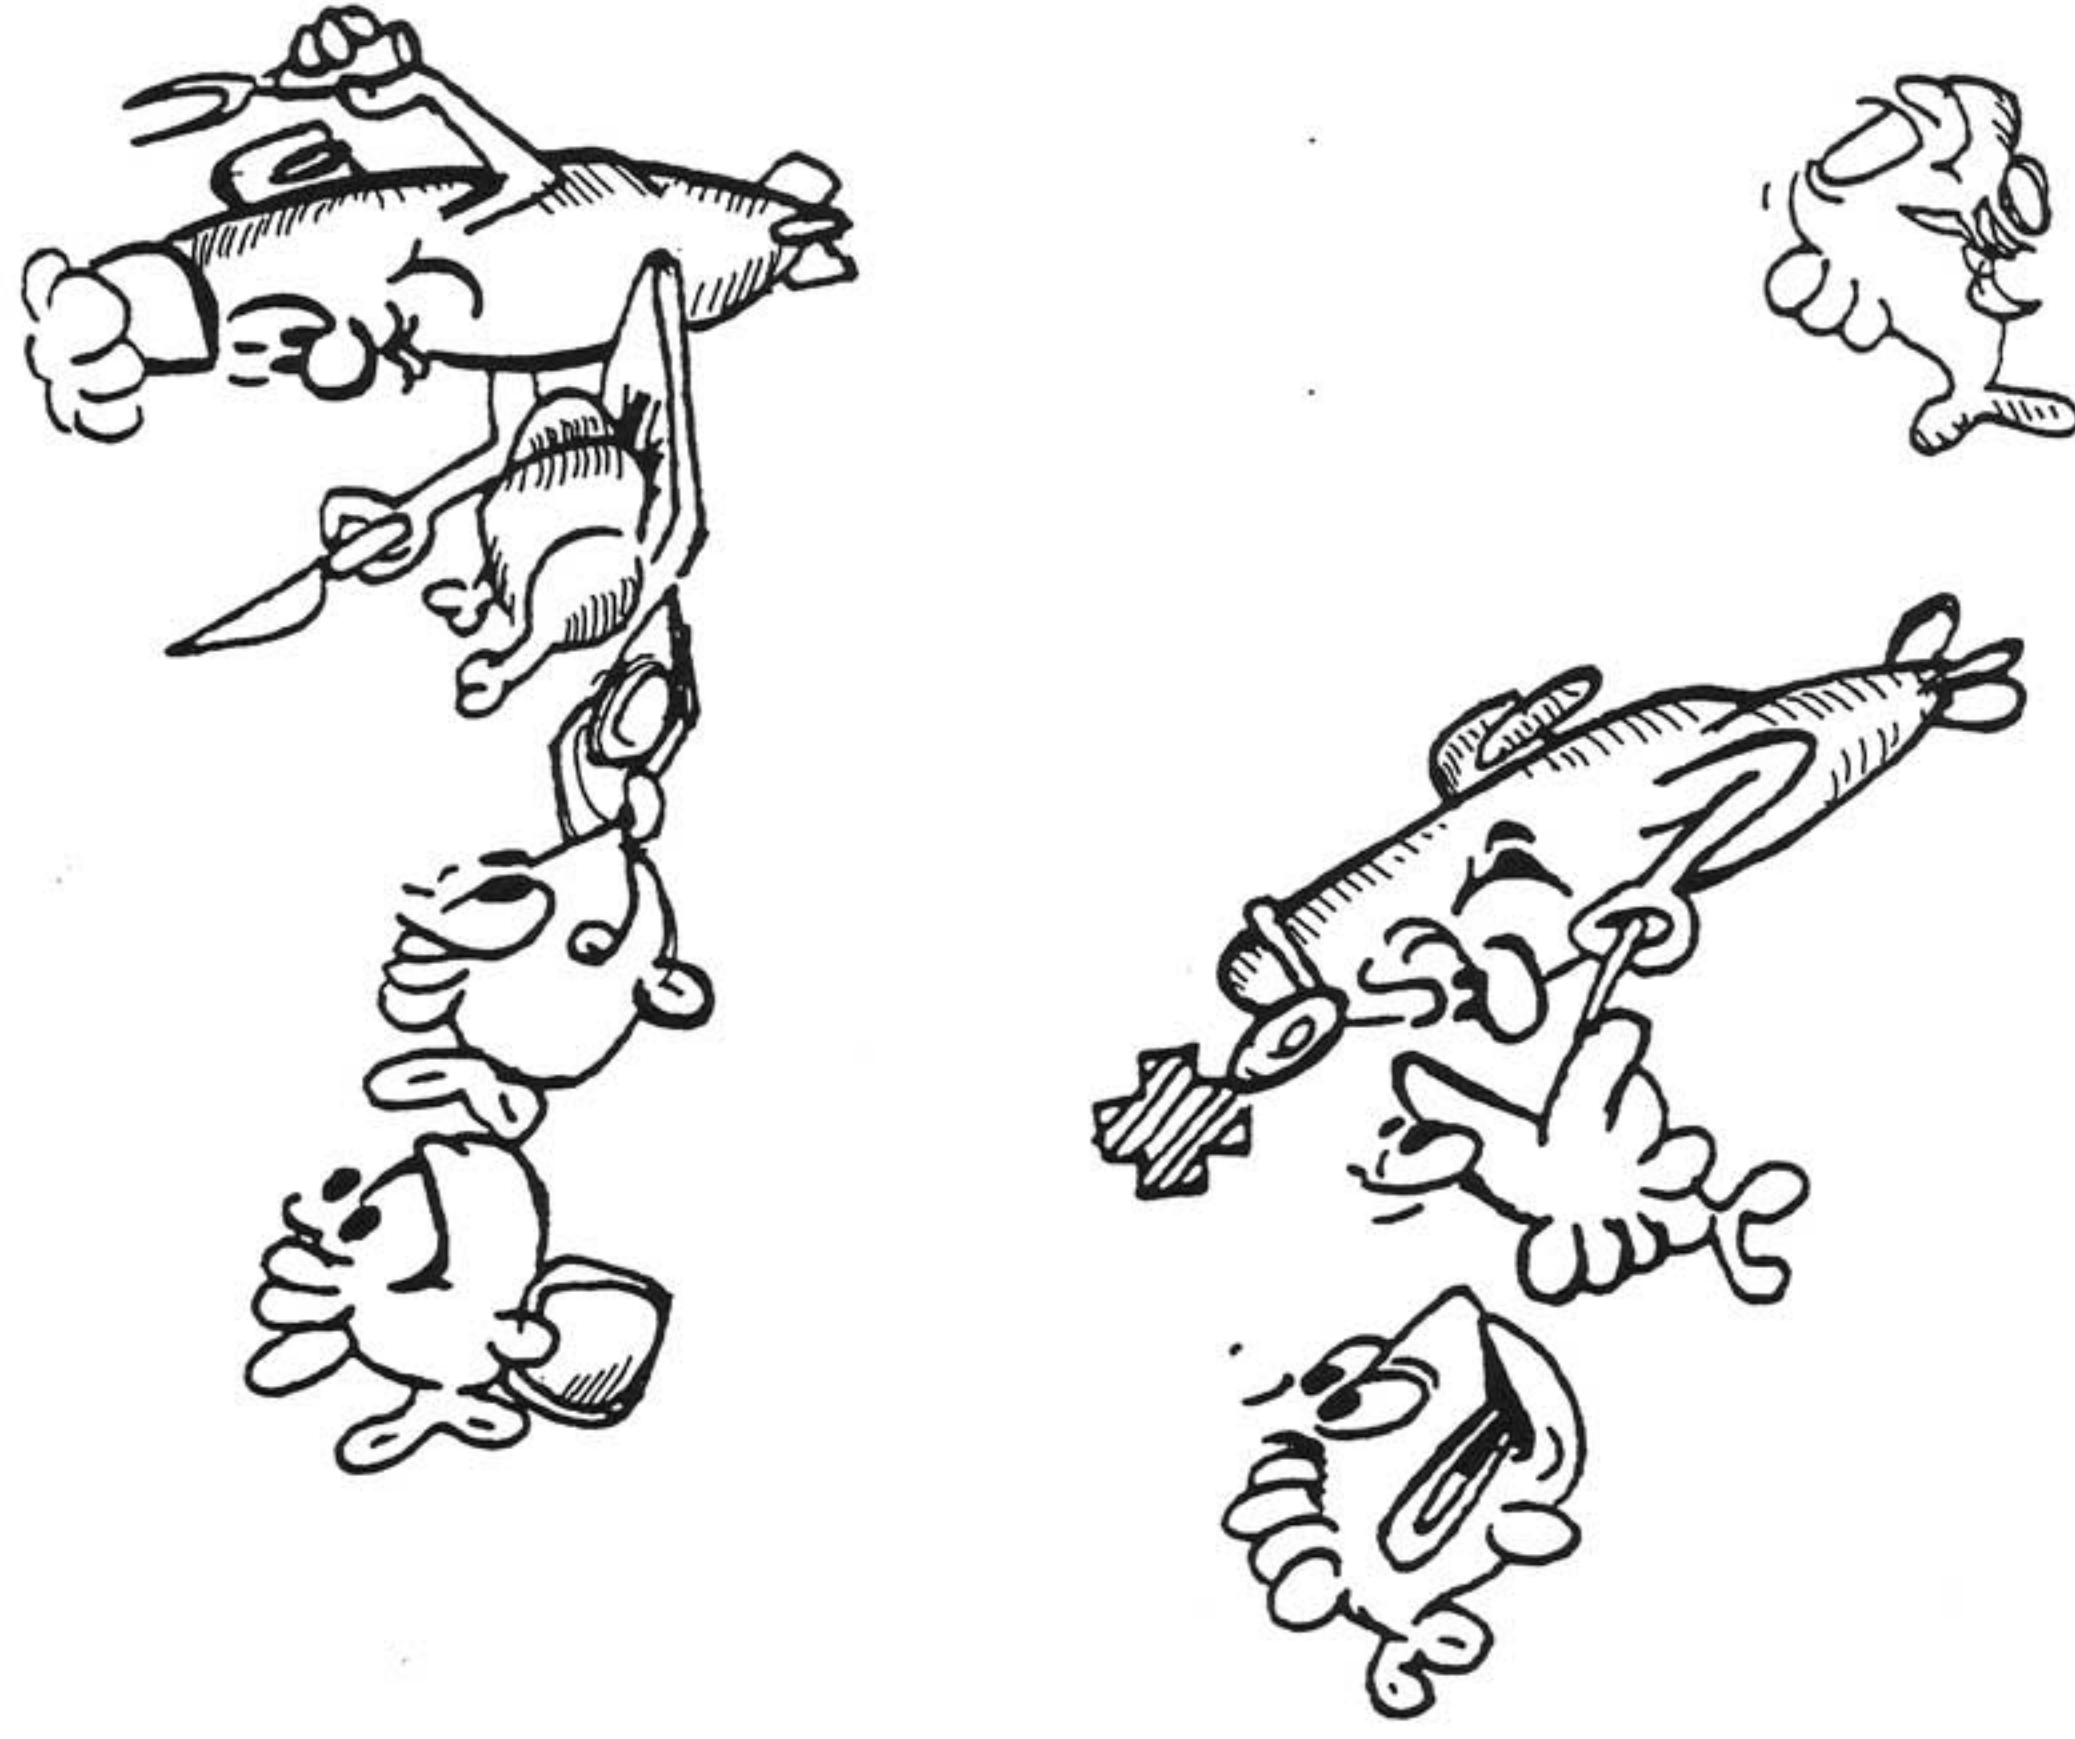

ONCE A WEEK THE SUB
GETS CLEANED FROM
HEAD TO TOE. JUST LIKE
CLEANING UP THE HOUSE,
ONLY BIGGER.

SOME OF THE CREW FIX AND
RUN THE MACHINERY. OTHERS
KEEP US HEALTHY, WELL FED AND
TAKE CARE OF OUR PAY CHECKS.

**PEOPLE ON THE SHIP
HAVE DIFFERENT JOBS,
BUT EVERYONE IS AS
IMPORTANT AS EVERYONE
ELSE.**

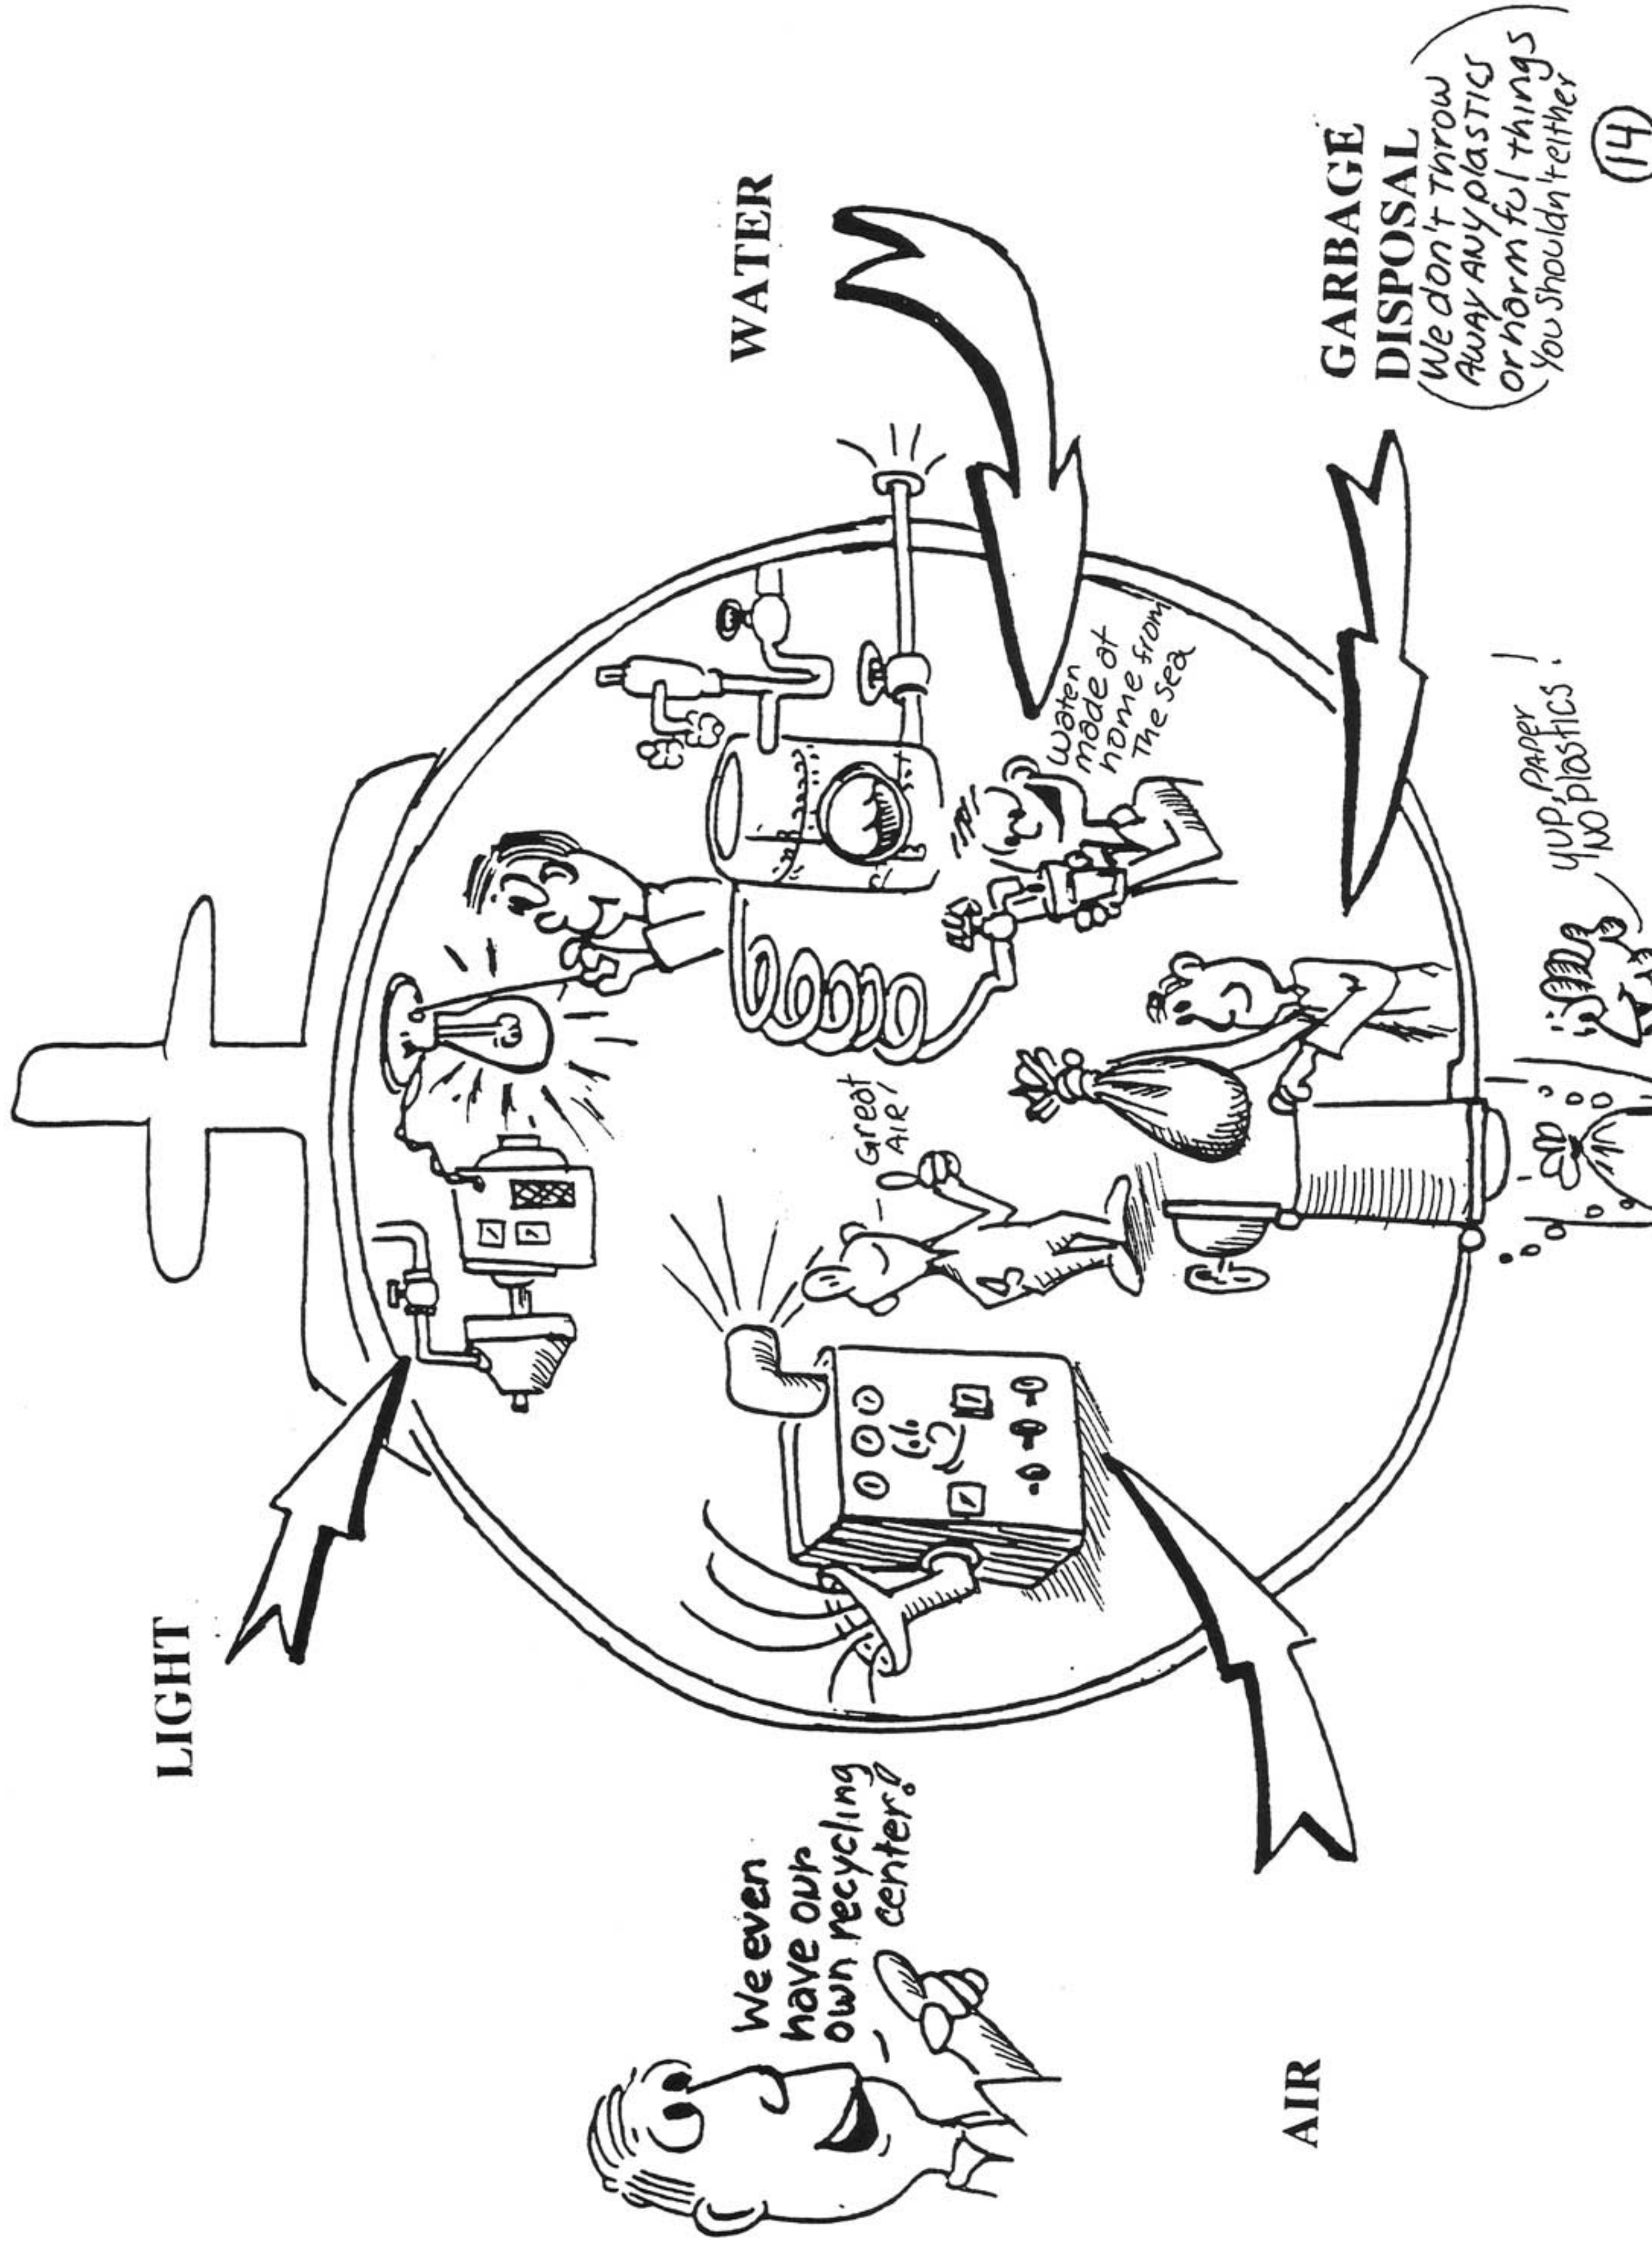

THERE ARE LOTS OF THINGS
TO FIX AND CLEAN TO KEEP
THE SHIP RUNNING.

" AT SEA WE MAKE OUR OWN LIGHT,
WATER, AIR AND GARBAGE DISPOSAL."

LIGHT

WATER

AIR

GARBAGE
DISPOSAL

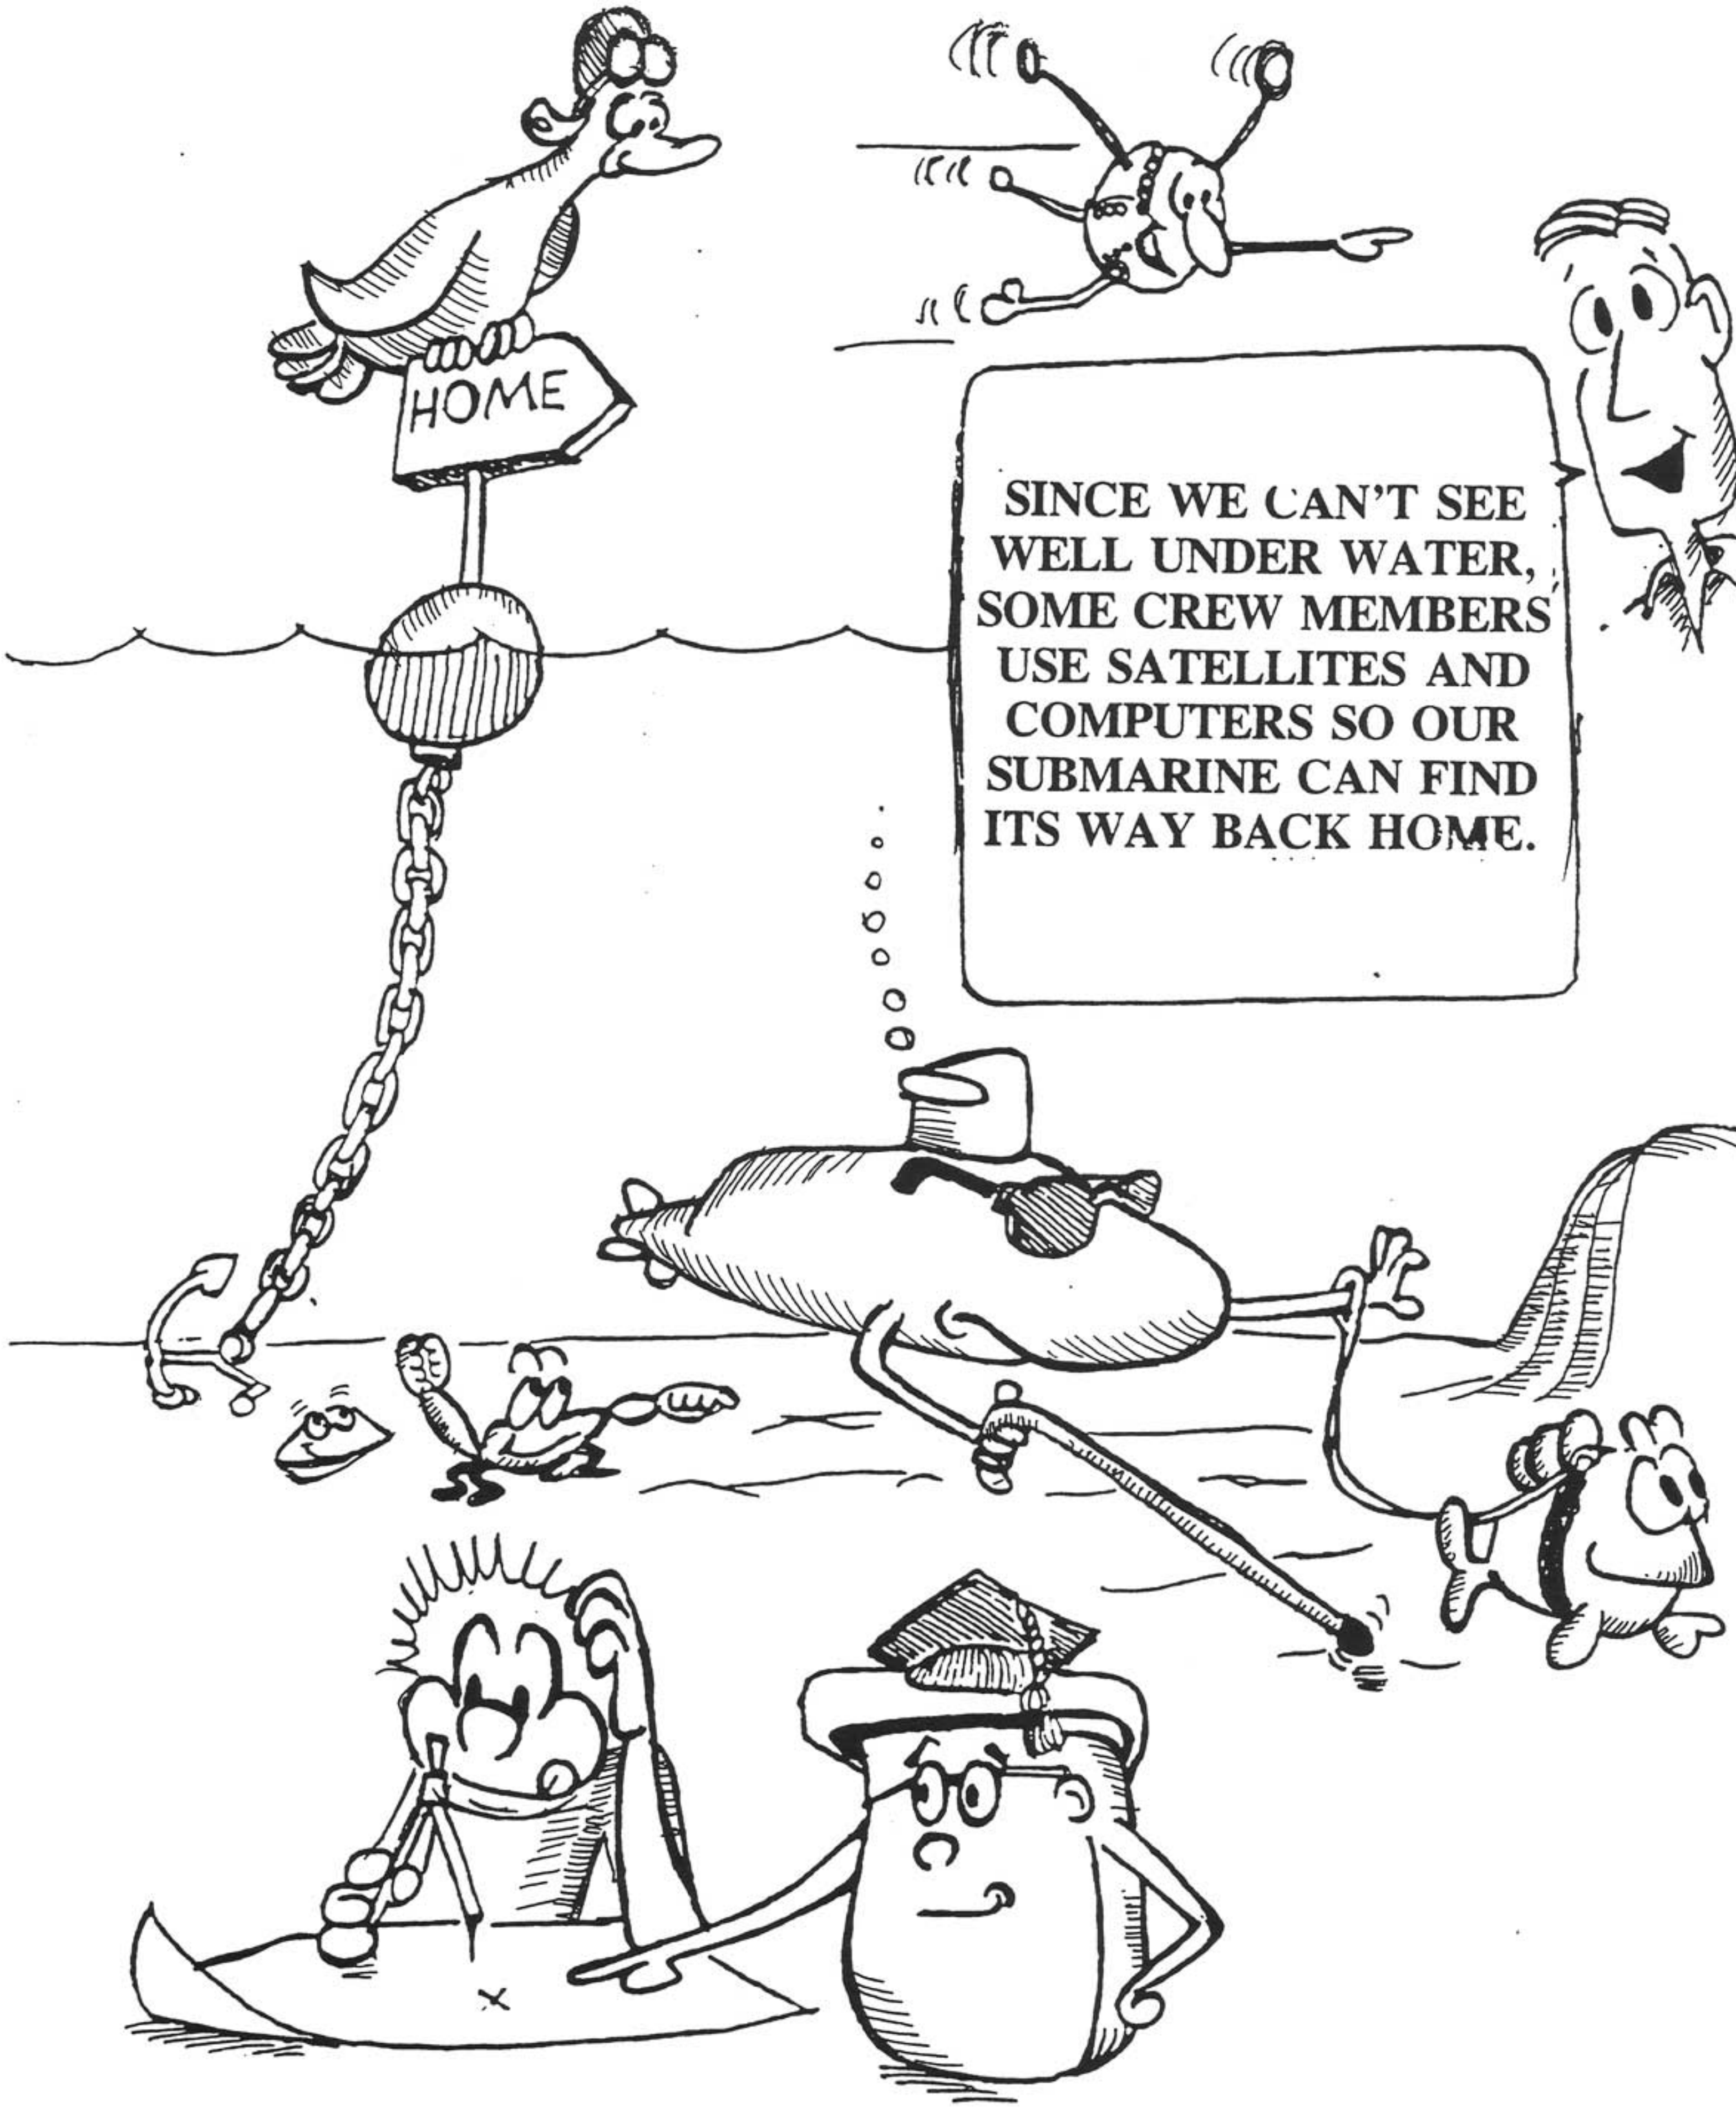

We don't throw
away ANY PLASTICS
or harmful things
you shouldn't either

We even
have our
own recycling
center!

Water
made at
home from
The Sea

Great
AIR!

YUP, PAPER,
NO PLASTICS!

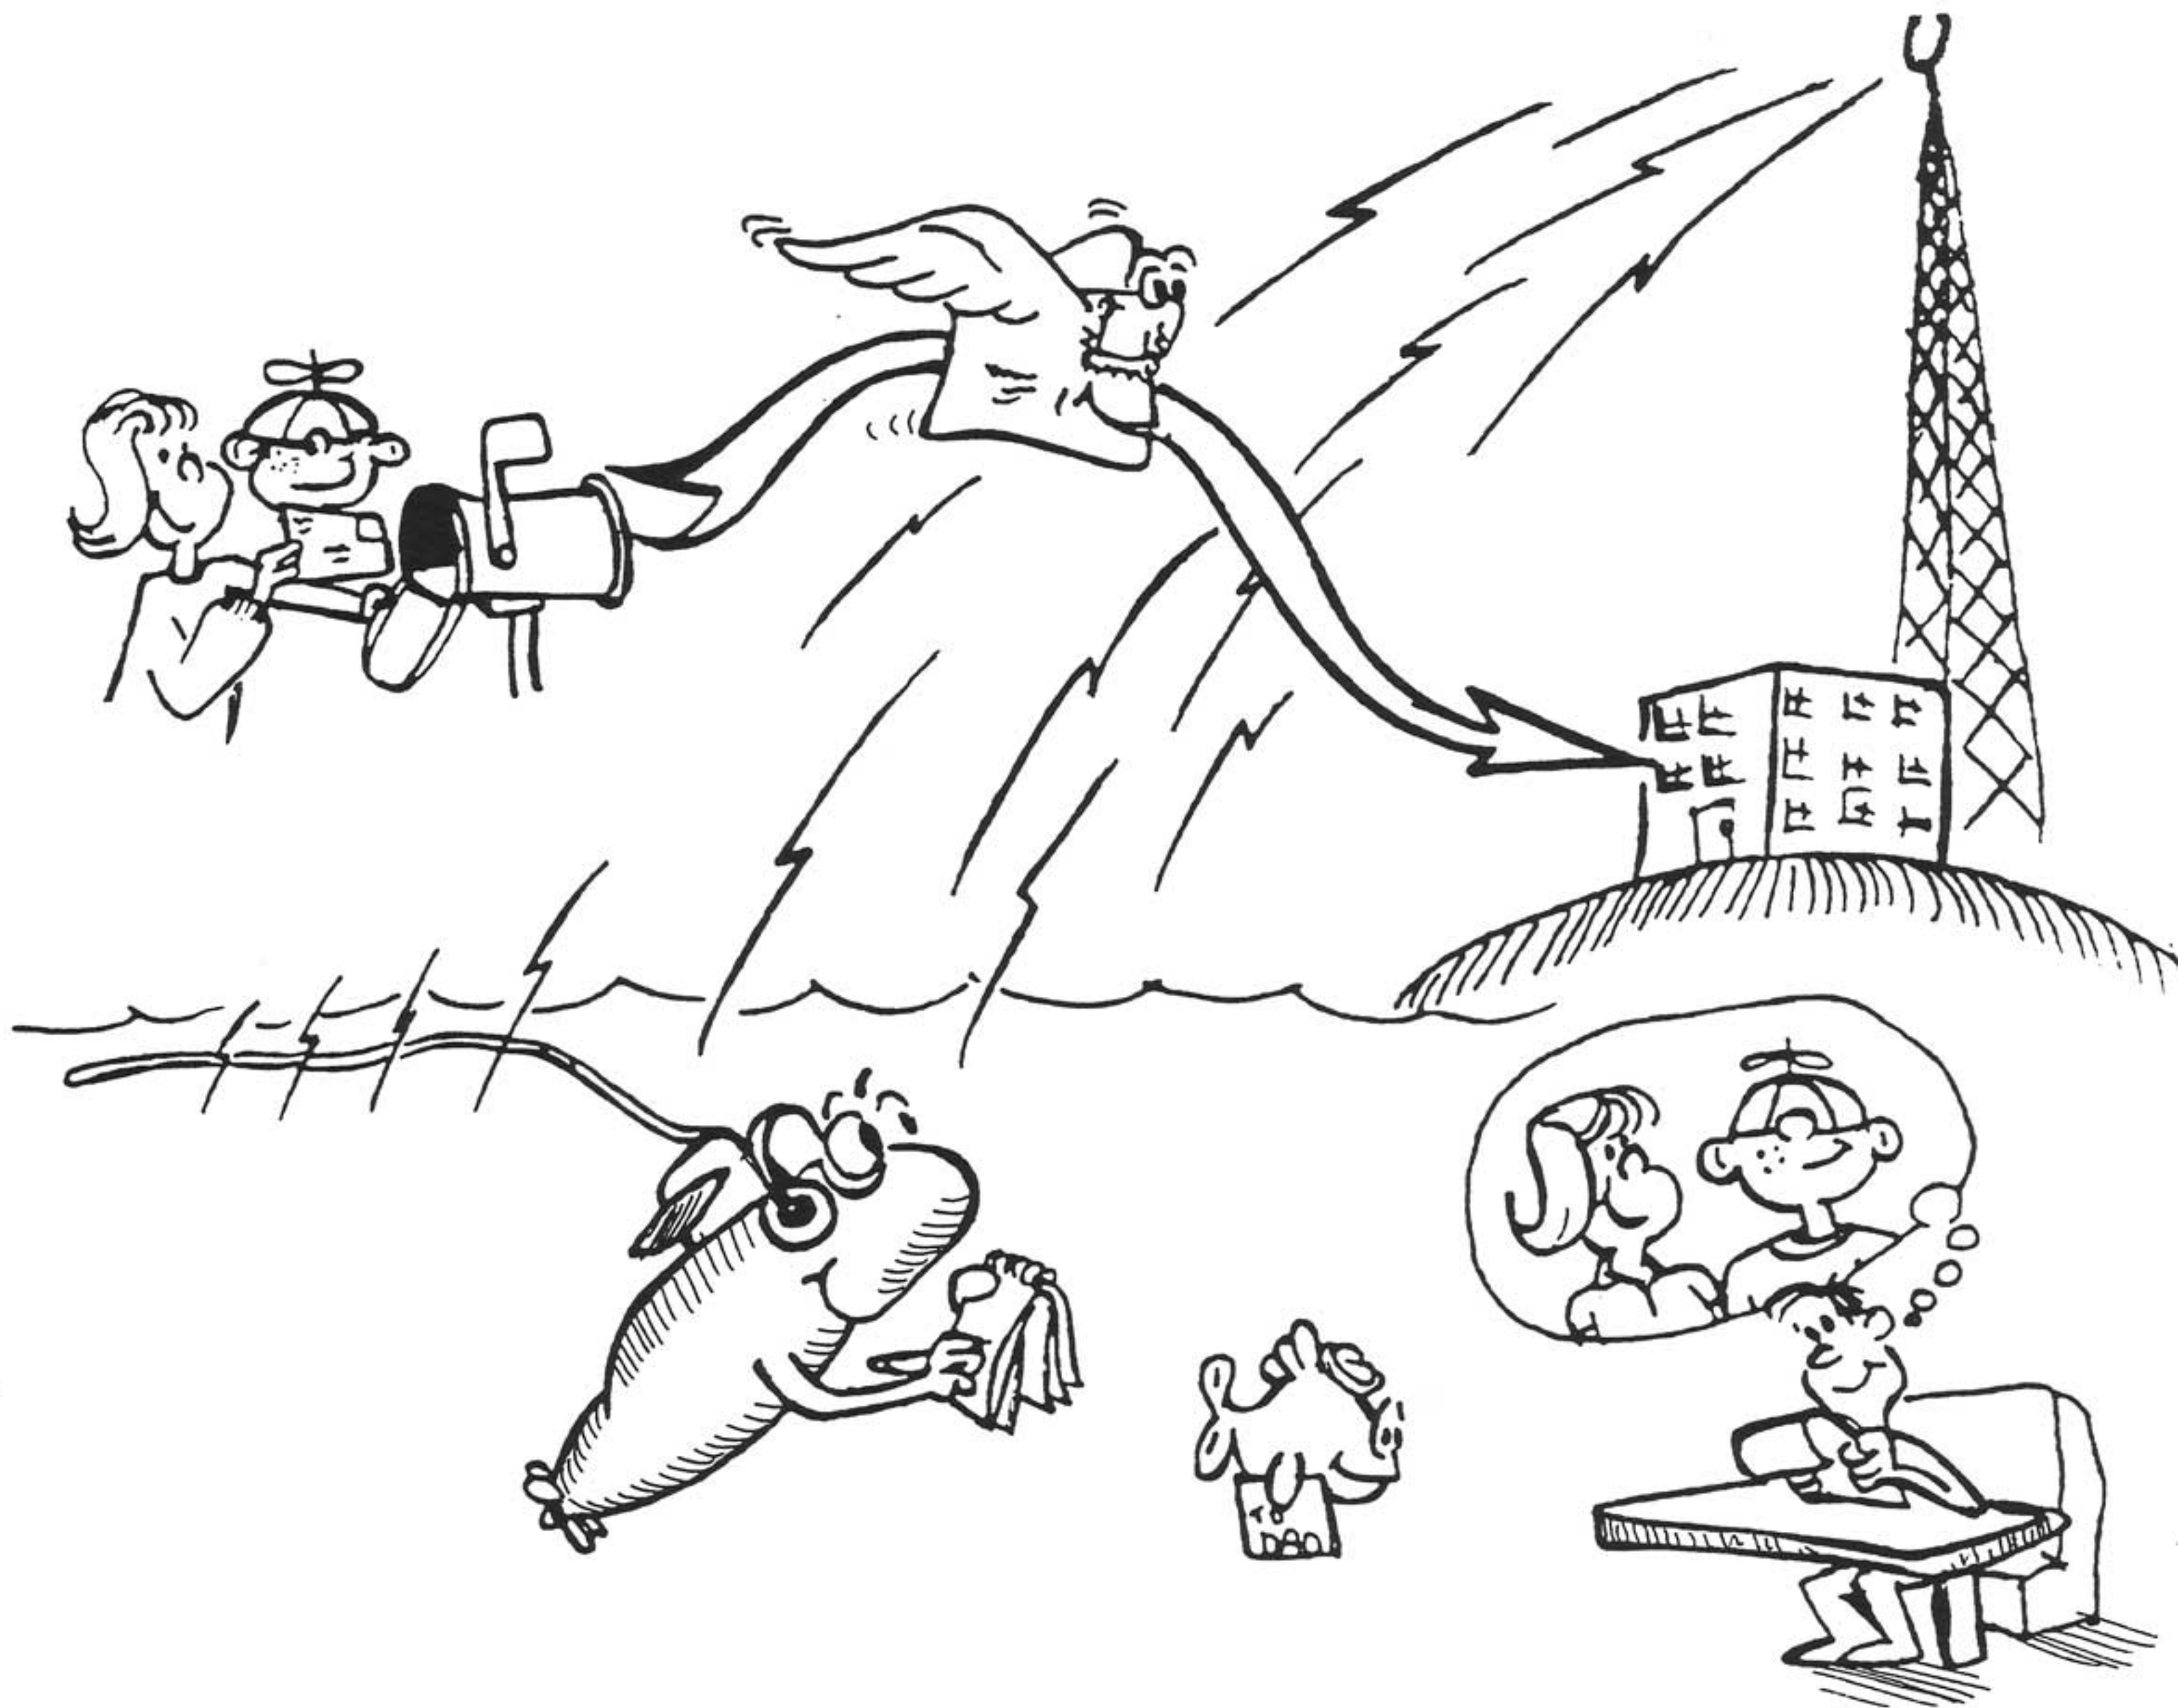

SINCE WE CAN'T SEE WELL UNDER WATER, SOME CREW MEMBERS USE SATELLITES AND COMPUTERS SO OUR SUBMARINE CAN FIND ITS WAY BACK HOME.

WE PRACTICE OPERATING THE SHIP SAFELY IN EMERGENCIES.

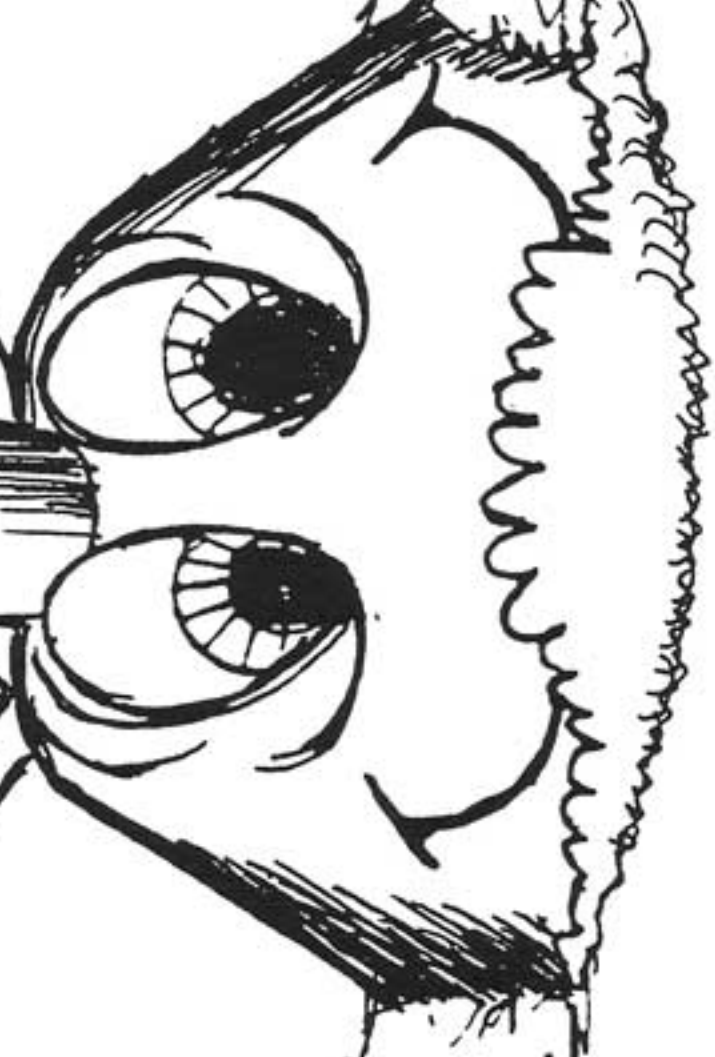

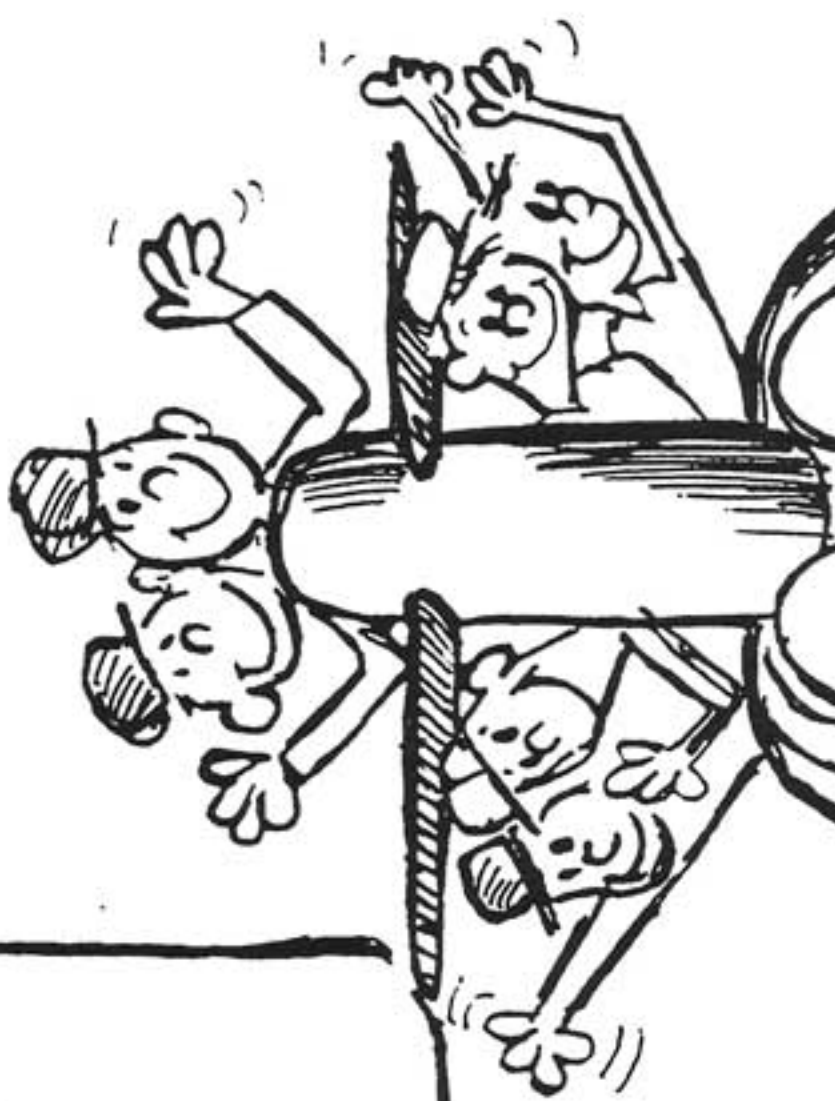

DURING THE PATROL, OUR FAMILIES CAN SEND US MAIL. THEY SEND US MESSAGES BY RADIO. WE LISTEN FOR THEM, MAKE A COPY AND DELIVER TO "DAD". IT LETS US KNOW WHAT IS GOING ON BACK HOME.

WHEN PATROL IS
OVER AND IT'S
GREAT TO BE
HOME WITH
FAMILIES

WELCOME HOME
FROM
