

You're invited to a

TOWN HALL MEETING

with King County Councilmember Reagan Dunn
concerning the future of the Cedar Hills Regional Landfill

As you may know, King County is considering a draft Solid Waste Comprehensive Plan which provides direction on how garbage and recycling will be managed in King County for the next six to 20 years.

I invite you to join me for a town hall meeting to discuss the draft comprehensive plan and the future of the Cedar Hills Regional Landfill. I would like to hear what you think about the proposal and any questions or concerns you may have. If you would like to read more about the draft plan in advance of the meeting, you may do so at kingcounty.gov/solid-waste-comp-plan.
